### Quality Education Fund Priority Themes for 2017/18 and Invitation for Applications

#### Summary

The purpose of this circular memorandum is to inform secondary schools, primary schools, special schools and kindergartens that the Quality Education Fund (QEF) will launch the priority themes for 2017/18. Heads and teachers are invited to attend the briefing sessions on the priority themes and application procedures to be held in April and May 2017.

#### Background

2. The QEF has been supporting the development of quality education in Hong Kong since its establishment in 1998. It aims to support innovations, enrich students' learning experiences and encourage school-based initiatives.

3. To continue to support education reform and the direction of education policies set forth in the Policy Address 2017, eleven priority themes for 2017/18 will be launched for 2017/18 to enhance the quality of school education. A list of the eleven priority themes is at **Annex I**. For details of the themes and application procedures, applicants may refer to the Guide to Applicants to be posted on the QEF website (<http://qef.org.hk>) on 24 March 2017.

4. Schools are welcome to propose theme-based projects (up to 3) with grant sought exceeding \$150,000 under any priority theme that serve to supplement and/or complement the existing practices with a view to facilitating the development of schools to address the needs specific to their own contexts. The QEF also welcomes projects that cut across themes for better cross-disciplinary understanding and coherence.

5. The QEF continues to provide additional quota (up to 2) for applications with grant sought not exceeding \$150,000 using simplified application procedures. Schools are also welcome to apply for fund to conduct such projects of any theme in different contexts which best suit the immediate needs of their target beneficiaries.

#### Briefing sessions

6. To familiarise schools with the priority themes for 2017/18 and application procedures, briefing sessions will be organised on 6 April 2017 (Thursday) for kindergartens, on 11 April 2017 (Tuesday) for secondary schools and special schools, and on 2 May 2017 (Tuesday) for primary schools and special schools. School heads are cordially invited to attend and/or nominate representatives to attend any of the briefing session where appropriate. Please refer to **Annex II** for details and return the reply slip at **Annex III** for enrolment.

7. In the event of public announcement by the Secretary for Education that all schools are to be closed as a result of adverse weather conditions (e.g. tropical cyclone or rainstorm), the briefing session will be cancelled.
