**Summary**

This circular updates and reminds schools of the criteria and procedures for admission of –

- (a) non-local children; and
- (b) children holding a Form of Recognizance

to schools in Hong Kong.

**Details**

**(A) Non-local Children**

2. Permission for non-locals to enter or reside in Hong Kong for any purpose is at the discretion of the Director of Immigration. Thus, non-local children may enter or reside in Hong Kong for the purpose of education only with the approval of the Director of Immigration.

3. In general, and subject to the Director of Immigration's decision in individual cases, there is no objection to the entry and residence of a non-local child for the purpose of attending a school registered under the Education Ordinance. However, non-local children are not to be regarded as having a right of access to places in public sector schools, i.e. government, aided and Caput schools. Although English Schools Foundation schools and Direct Subsidy Scheme schools can admit non-local children, these children are not eligible for government subsidy. Only persons holding one of the documents stipulated in paragraph 4 of this Circular will be eligible for government subsidy.

### **Admission to non-public sector schools**

5. Persons whose travel documents bear any of the following endorsements, or landing slips if applicable, can reside in Hong Kong for the purpose of education in non-public sector schools (including private schools, Private Independent Schools, Direct Subsidy Scheme schools, English Schools Foundation schools or international schools) only. They cannot be admitted to public sector schools:

- (a) “*STUDENT - Permitted to remain until (date<sup>^</sup>)*”; and
- (b) “*STUDENT - Permission to remain extended until (date<sup>^</sup>)*”.

Remarks<sup>^</sup>: the date showing the limit of stay in Hong Kong is still valid at the time of admission to school.

### **Procedure for admission of non-local children**

6. Unless clearance is obtained from the Director of Immigration, no child whose travel document/passport bears the endorsement “**Visitor**” over the immigration stamp or issued with a landing slip imposed with condition of stay “**Visitor**” upon arrival should be admitted to any school in Hong Kong.

7. In the event of your receiving an application on behalf of a child whom you may have reason to believe to be a non-local, **you should advise the person making the application to make enquiry to the Immigration Department as soon as possible regarding application for a visa/entry permit to enter the HKSAR for study or for residence.** If you are in any doubt as to the immigration status of an applicant for a place, you may contact Extension Section of the Immigration Department at 3861 7432 for advice (other than applicants holding a Form of Recognizance). A sample letter to the Director of Immigration and an authorization form to be completed by the applicant’s parent/guardian are attached (Appendices I and II) for your reference.

8. You must not offer a school place to a child who is not a resident of Hong Kong, unless it is confirmed that the child is permitted by the Director of Immigration to reside in Hong Kong as indicated in paragraphs 4(c) or 5 above. In the case of public sector schools, admission of non-locals is restricted to those detailed in paragraph 4(c) above. In case of doubt, schools may consider issuing a

conditional acceptance letter. Such a letter must make it clear that the offer of a school place is temporary and subject to the Director of Immigration's approval.

**(B) Children Holding a Form of Recognizance**

9. Children who have no legal right to remain in Hong Kong will not be allowed to attend schools in Hong Kong and will be repatriated. For those who claim to have the right to remain in Hong Kong or refugees, and non-refoulement claimants liable to removal and have entered into recognizance in the prescribed form by the Director of Immigration, consideration may be given on a case by case basis to allow them to receive education **temporarily**.

10. On receipt of applications from parents of these children, schools should refer the applications to their respective Senior School Development Officers. When approached by schools or parents of these children, the Senior School Development Officers concerned will seek the comments of the Director of Immigration. Upon confirmation from the Director of Immigration that he has no comments on allowing these children to attend schools in Hong Kong during the time that their cases are still under examination, the Senior School Development Officers will inform schools to admit these children or arrange school places for them.

11. In any case, schools must **NOT** offer these children a school place until confirmation has been received from their Senior School Development Officers that the children may be admitted.

12. The above arrangements for children holding a form of recognizance are applicable to all schools including public sector and non-public sector schools. Please note that the children's admission will in no way affect the outcome of the assessment of their claims/cases and should not be construed as having been given permission by the Director of Immigration to remain in Hong Kong. The admission of a child to a school does not give rise to an undertaking by the Director of Immigration that removal proceedings would not be instituted or continued.

13. This circular replaces EDB Circular No. 11/2023 of 11 July 2023.
