The 17th Hong Kong Green School Award

Aims/Objectives

This is to invite kindergartens, primary and secondary schools to join the captioned award scheme.

Details

2. The aims of the captioned scheme are to encourage schools to formulate a school environmental policy and implement an environmental management plan towards a green school, and to enhance environmental awareness, develop an environment-friendly attitude and promote green practices among school managers, teachers, non-teaching staff, students and their families.

3. The Environmental Campaign Committee (ECC), the Environmental Protection Department and the Education Bureau (EDB) have organised the Hong Kong Green School Award since 2000. The co-organisers of the scheme are the Education University of Hong Kong, the Hong Kong Productivity Council and the Vocational Training Council.

4. The scheme, which is open to all schools in Hong Kong, is divided into Pre-school, Primary School and Secondary School Categories. Details of the scheme are provided in Appendix 1a.

5. Heads of schools who wish to participate in the scheme are requested to complete the Registration Form in Appendix 1f (for pre-schools) or Appendix 1g (for primary and secondary schools) and return it to the ECC Secretariat by email to schools@epd.gov.hk or by fax at 2827 8138 on or before 19 October 2018 (Friday).

Enquiry

6. For enquiries, please contact the ECC Secretariat on 2519 9173 or the EDB on 2153 7488.
The 17th Hong Kong Green School Award

(I) Objectives

- To encourage schools to formulate a school environmental policy and implement an environmental management plan towards a green school; and
- To enhance environmental awareness, develop an environment-friendly attitude and promote green practices among school managers, teachers, non-teaching staff, students and their families.

(II) Organisers

- Environmental Campaign Committee (ECC);
- Environmental Protection Department; and
- Education Bureau (EDB)

(III) Co-organisers

- The Education University of Hong Kong;
- Hong Kong Productivity Council; and
- Vocational Training Council

(IV) Background

The Hong Kong Green School Award (HKGSA) is divided into Pre-school, Primary School and Secondary School Categories and is open to all schools in Hong Kong. For the 1st to the 7th HKGSA, participating schools that met the assessment criteria were presented with Green School Awards, and then competed for the championship, first runner-up, second runner-up and merit awards. Starting from the 8th HKGSA, the scheme was re-structured into a benchmarking system to forge a partnership between the HKGSA and the Hong Kong Awards for Environmental Excellence (HKAEE). In 2010, a consultancy study on the Environmental Programmes of the ECC proposed modifications of the benchmarking system which has been adopted since the 12th HKGSA.

(V) Arrangement for the 17th HKGSA

The HKGSA activities include visiting winning schools of the 16th HKGSA and the 2017 HKAEE, attending environmental training workshops, conducting self-assessment of environmental performance and adjudication / verification. A special award “NO Disposable Campus Award” (tentative) is also open to Primary and Secondary School Categories.

1. Visiting Winning Schools of the 16th HKGSA and 2017 HKAEE

- Visits to the winning schools of the 16th HKGSA and the 2017 HKAEE will be arranged for the Pre-school, Primary School and Secondary School Categories from November to December 2018. **Details of the school visits will be announced later.**

- Heads of Schools may nominate their teachers to join the school visits to share the successful experience of the past award-winning schools in implementing environmental management.
2. **HKGSA Environmental Training Workshops**
   - The ECC will arrange training workshops for school managers, teachers and non-teaching staff of participating schools from November to December 2018. **Details of the training workshops will be announced later.**
   - Heads of Schools are welcome to nominate their teachers to join the training workshops and may consider counting the time teachers spent in the training workshops as Continuing Professional Development (CPD) hours.

3. **HKGSA Self-assessment and Adjudication / Verification**
   - **Pre-school Category**
     - Participating schools are required to conduct a self-assessment on their performance according to the assessment criteria and to score themselves based on the indicators set out in the “Heading Towards Green Pre-schools – Environmental Management Guidebook for Pre-schools”, which is downloadable from the Schools Go Green website at [http://school.ecc.org.hk](http://school.ecc.org.hk). The assessment criteria for the Pre-school Category are listed in **Appendix 1b**. Participating schools should return the self-assessment forms to the ECC Secretariat **on or before 25 January 2019 (Friday)**.

   - **Primary School and Secondary School Categories**
     - Participating schools are required to complete a Self-Assessment Manual (SAM) that consists of a Core Module and four Supplementary Sections over a three-year timeframe. The “Hong Kong Green School Award Guidance and Self-assessment Manual” for primary and secondary schools can be retrieved from the Schools Go Green website at [http://school.ecc.org.hk](http://school.ecc.org.hk).
     - Schools that achieve any level of accreditation under the new benchmarking system will be eligible to keep that accreditation for three years.
     - To assist participating schools in the 17th HKGSA, facilitators will be available, upon request, to mentor schools that require guidance and advice.
     - The assessment criteria for the Primary School and Secondary School Categories are listed in **Appendix 1c**. Participating schools should return the SAM score sheets to the ECC Secretariat **on or before 25 January 2019 (Friday)**.

Details of the adjudication / self-assessment verification procedures and schedule of the 17th HKGSA are listed in **Appendix 1d**.

4. **Special Award for Primary School and Secondary School Categories**
   - To encourage primary and secondary school students to ditch the use of single-use disposable items and share good practices on waste reduction in school campuses, a special award “NO Disposable Campus Award” (tentative) will be introduced. **Details of the special award scheme will be announced later.**

(VI) **Awards**

Participating schools with outstanding performance will be presented with prizes. **Details of the awards for each category are listed below:**
Pre-school Category
- Outstanding Award
  - Plaques and cash prizes will be presented to the three top-scoring pre-schools of each assessment criterion.
- Certificate of Appreciation
  - Pre-schools being shortlisted for on-site inspections and reaching the benchmark score in any of the four assessment criteria will be awarded the “Certificate of Appreciation”.

Primary School and Secondary School Categories
Schools achieving the requirements of the Core Module plus two or more Supplementary Sections will gain Bronze, Silver or Gold accreditation. Schools achieving the requirements of the Core Module plus Supplementary Section A will also be recognised. All Green Schools accredited under the 17th HKGSA will be invited to compete for “2019 Hong Kong Awards for Environmental Excellence – Schools (Primary/Secondary)”. A brief introduction to the HKAEE is in Appendix 1e.

Adjudication / Self-assessment Verification Procedures &
Schedule of the 17th Hong Kong Green School Award

Adjudication / Self-assessment Verification Procedures

**Pre-school Category**

- **Stage I – Self-assessment**
  Participating pre-schools should self-assess their performance using the assessment form in the “Heading Towards Green Pre-schools – Environmental Management Guidebook for Pre-schools”. Their self-assessment forms should be returned to the Environmental Campaign Committee (ECC) Secretariat on or before **25 January 2019 (Friday)** for verification.

- **Stage II – Preliminary Adjudication**
  Pre-schools which have achieved the benchmark scores in Stage I will be shortlisted for on-site inspections. The schools which are certified as having reached the benchmark score in any of the four assessment criteria during on-site inspections will receive the “Certificate of Appreciation”. Field Assessors will select schools with good performance and recommend them for the Final Adjudication after on-site inspections.

- **Stage III – Final Adjudication**
  The Final Adjudication Panel will select and visit the pre-schools obtaining the highest scores in each of the four assessment criteria. The Final Adjudication Panel will select not more than three top-scoring pre-schools to receive the “Outstanding Award” in respect of each criterion.

**Primary School and Secondary School Categories**

- **Stage I – Self-assessment**
  Participating schools should self-assess their performance according to the indicators in the “Hong Kong Green School Award – Self-Assessment Manual” and submit the self-assessment manual score sheets to the ECC Secretariat on or before **25 January 2019 (Friday)** for verification.

- **Stage II – Score Verification**
  The Assessors will verify the scores of the shortlisted schools through on-site inspections. Schools achieving the benchmark scores requirements of the Core Module plus two or more Supplementary Sections will be granted Green School Bronze, Silver or Gold Award. All Green Schools accredited under the 17th HKGSA will be invited to compete for the “2019 Hong Kong Awards for Environmental Excellence (HKAEE) – Schools (Primary/Secondary)”. These schools may be visited by the HKAEE consultants for a detailed assessment, and the school representatives may also be invited to present their achievements to the HKAEE Final Adjudicating Panel in a meeting.

**Hong Kong Awards for Environmental Excellence**

**Background**

The Hong Kong Awards for Environmental Excellence (HKAEE) has been launched since 2008. It aims to encourage organisations to implement environmental management, to measure organisations’ performance and their commitment to environmental management within the industry, and to recognise organisations with excellent performance on environmental management. The assessment criteria include Green Leadership, Programme & Performance as well as Partner Synergy.

There are 11 sectors for non-Small and Medium Enterprises (non-SMEs) and 4 sectors for SMEs under the HKAEE.

**Sectors for non-SMEs:**
1. Construction Industry
2. Hotels and Recreational Clubs
3. Manufacturing and Industrial Services
4. Media and Communication
5. Property Management (Commercial & Industrial (C&I) / Residential)
6. Public and Community Services
7. Restaurants
8. **Schools (Primary/Secondary)**
9. Servicing and Trading
10. Shops and Retailers
11. Transport and Logistics

**Sectors for SMEs:**
1. Construction, Manufacturing and Industrial Services
2. Servicing Industry
3. Shops and Retailers
4. Trading

The participation of the HKAEE – Schools (Primary/Secondary) is restricted to the Champions, First Runners-up & Second Runners-up of the Primary School & Secondary School Categories under the past HKGSA, as well as all Green Schools. For each of the Primary School and Secondary School Sub-sectors, there will normally be one Gold Award, one Silver Award, one Bronze Award and a maximum of 10 Merits.

**Awards Presentation Ceremony**

The Awards Presentation Ceremony of the 2019 HKAEE will be held in 2020.

**Details**

“My Green Space” Green Building Competition for Schools 2018

Aims/Objectives

This is to invite primary and secondary schools to participate in the captioned activity.

Details

2. The Hong Kong Green Building Council (HKGBC) strives to enhance public understanding and awareness towards green buildings. In view of this, the Council has launched “My Green Space” Green Building Competition for Schools since 2011 to facilitate the sustainable development of Hong Kong through the promotion of green buildings.

3. The aims of the captioned Competition are to educate the younger generation about green buildings, and nurture them into pioneers for promoting green building concepts. The Competition is open to all schools in Hong Kong. It is divided into five divisions: Junior Primary Division, Senior Primary Division, Junior Secondary Division, Senior Secondary Division and Tertiary Division. All local students are eligible for participation. For details, please refer to Appendix 2a or visit the Competition website (http://www.hkgbc.org.hk/schoolcompetition).

4. Interested schools are required to submit their online application via the Council’s website at http://competition.hkgbc.org.hk/en/about_competition_registration.php. Alternatively, applicants can fill in the attached form in Appendix 2b and specify the number of entries before submitting the completed application form to the HKGBC via email (greenschool@hkgbc.org.hk) or fax (3994 8899). The application deadline is 6:00 pm, 31 October 2018 (Wednesday).

“My Green Space” Green Building Competition for Schools 2018

1. Introduction of the Competition

The Hong Kong Green Building Council Limited (HKGBC) is a non-profit, member led organisation established in 2009 with the vision to help save the planet and improve the wellbeing of the people of Hong Kong by transforming the city into a greener built environment. The Founding Members of HKGBC include the Construction Industry Council (CIC), the Business Environment Council (BEC), the BEAM Society Limited (BSL) and the Professional Green Building Council (PGBC). Its mission is to lead market transformation by advocating green policies to the Government; introducing green building practices to all stakeholders; setting design, construction and management standards for the building profession; and promoting green living to the people of Hong Kong.

The HKGBC strives to enhance public understanding and awareness towards green buildings. In view of this, the Council has launched “My Green Space” Green Building Competition for Schools since 2011 to educate the younger generation with green building knowledge, and nurture them into pioneers in promoting green building concepts. The Competition aims to:

1. promote green building concepts and its related standards among the school community;
2. nurture critical and creative thinking by providing training to the school community and encouraging students to express their creative ideas on green building concepts;
3. introduce knowledge on green building and its related standards to students and teachers;
4. induce students’ behavioural changes towards green lifestyle, and spread the ideas to their families and peers.

The Competition encourages students to apply creative ideas of green building concepts in their livings, developing an ideal green space.

10. Registration and Entry Submission

Interested schools and individuals are required to submit their online applications via Competition website: [http://competition.hkgbc.org.hk/en/about_competition_registration.php](http://competition.hkgbc.org.hk/en/about_competition_registration.php) on or before *6:00 pm, 31 October 2018 (Wednesday)*. Each applicant will receive a confirmation email with an Entry Number upon successful registration.

The entry submission deadline is *6:00 pm, 22 February 2019 (Friday)*. A notification email will be issued to applicants to confirm successful submission of entries. Any entries with late submission will not be assessed. Submission of the entries shall be made by hand or by mail to:

**Hong Kong Green Building Council, I/F, Jockey Club Environmental Building, 77 Tat Chee Avenue, Kowloon Tong, Hong Kong**

In order to facilitate verification process, the **Entry Description Form** must be completed online from the Competition website: [http://competition.hkgbc.org.hk/en/about_competition_submission.php](http://competition.hkgbc.org.hk/en/about_competition_submission.php) before submitting the entries. The Form could be completed in either Chinese or English, while the **Entry Description**
**Section** should not be more than 200 words. To protect the environment and reduce the use of paper, only online submission of the **Entry Description Form** is accepted. Any entries without the submission of the Form will not be handled.

Please observe the following when submitting entry:

1. Entrants are required to provide personal and school particulars on the Entry Description Form only. **No school information, for example school name or school logo, should appear in the entries.** Any entries violated the requirement may be disqualified.
2. The Entry Number should be showed in the external packing or the back of the entries for easy identification.
3. Upon submission of entries, no revision to the entries will be accepted. Any requests for returning entries will not be entertained.

**11. Green Building Tour cum Training Workshop**

Entrants are invited to join the Green Building Tour cum Training Workshop for free. The Workshop will be divided into two parts. The first part is a visit to green buildings in Hong Kong and BEAM Professionals will be invited to equip participants’ green building knowledge. For the second part of the Workshop, expertise from different aspects will be invited to share the skill sets like computer drawing, multimedia techniques and presentation skills, etc. to assist entrants to utilise what have learnt and demonstrate in the Competition.

The details of the Workshop will be informed to all entrants by email.

“My Green Space” Green Building Competition for Schools 2018

Personal Information Collection Statement, Terms and Conditions

The followings are the Personal Information Collection Statement, Terms and Conditions of “My Green Space” Green Building Competition for Schools 2018 (“the Competition”) of the Hong Kong Green Building Council Limited (“HKGBC”).

A. Personal Information Collection Statement

The provision of personal data is voluntary. Personal data provided will be used by the HKGBC for the Competition and promotional purposes. However, the HKGBC will not be able to handle your application, filing request or notice if you do not provide sufficient information. Personal data collected may be disclosed to any institution and third party which provide administrative and other services for the Competition to the HKGBC. Any request for access to and correction of personal data may be submitted to the HKGBC Secretariat at greenschool@hkgbc.org.hk.

B. Terms and Conditions of the Competition

1. All entrants agree to follow the Terms and Conditions by entering the Competition. If any of the Rules and Regulations are violated, such entries will be considered as disqualified.

2. The HKGBC reserves the right to disqualify any misstated forms or entries that does not comply with the application guideline.

3. No copyrighted material (such as images and photos) is allowed to be incorporated in the entry without permission from the copyright owner. Any violation of the copyright laws will result in disqualification of entry.

4. The submitted entries shall not be indecent or adversely affect the reputation of the HKGBC, the Government of the Hong Kong Special Administrative Region or any other parties.

5. All entries must be original, not published elsewhere, or otherwise been submitted to other competitions.

6. All entries must not be commissioned works and have not otherwise been sold to third parties.

7. Upon submission of entries, no revision to the entries will be accepted. Any requests for returning of the entries will not be entertained.
8. All entrants agree to be photographed, video-recorded and interviewed by the media for promoting the Competition and relevant HKGBC educational activities. All entrants further agree with the HKGBC to make any transfer and disclosure to the mass media (for the use of media interviews, exhibitions, etc.) or other third parties as deemed necessary.

9. Winners who fail to collect the prize within the designated period of time will be deemed to have forfeited theirs prizes. Prizes will not be reissued under any circumstances.

10. The HKGBC reserves the right to modify, add to or delete any terms of the Competition.

11. The decision of the HKGBC will be final and binding on all matters relating to the Competition.

12. Each and every entrant agrees to indemnify the HKGBC from and against any and all claims, expenses and liabilities arising out of or relating to the Competition.

13. The HKGBC hereby disclaims any and all liabilities that may arise in connection with the Competition entries and any materials produced in relation thereto. Furthermore, the HKGBC and its employees, agents and representatives shall not be held responsible for any competition entries that are lost or damaged in transit. Competition entries are automatically rejected if incomplete, unreadable, damaged, mutilated, tampered with, falsified, mechanically reproduced, irregular in any way or otherwise not in compliance with the Competition.
**Student Environmental Protection Ambassador Scheme 2018/19**

Aims/Objectives

This is to invite primary and secondary schools to participate in the captioned scheme.

Details

2. The objectives of the captioned scheme are to develop students’ sense of responsibility towards the environment, to nurture leadership among students and encourage them to take positive initiatives in improving the environment.

3. The Environmental Campaign Committee (ECC), the Environmental Protection Department and the Education Bureau (EDB) will jointly organise the Student Environmental Protection Ambassador (SEPA) Scheme in the 2018/19 school year. The scheme has been organised for students in primary and secondary schools since 1995.

4. Details of the scheme in the 2018/19 school year are provided in Appendix 3a. Heads of schools who wish to participate in the scheme are requested to complete and return the Registration Form in Appendix 3b to the ECC Secretariat by email to schools@epd.gov.hk or by fax at 2827 8138 on or before 5 October 2018 (Friday). The training schedule and application forms for the 2018/19 school year have been uploaded onto the ECC website (http://school.ecc.org.hk) for interested schools to nominate SEPA s to participate in the Scheme.

Enquiry

5. For enquiries, please contact the ECC Secretariat on 2835 1772 or the EDB on 2153 7488.
**Student Environmental Protection Ambassador Scheme 2018/19**

1. **Introduction**

   1.1 The Environmental Campaign Committee (ECC), the Environmental Protection Department and the Education Bureau (EDB) have jointly organised the Student Environmental Protection Ambassador (SEPA) Scheme for students of primary and secondary schools since 1995.

   1.2 Details of the Scheme are available from the "Other Learning Experiences (OLE) Activity Databank" website (http://oledb.edb.hkedcity.net/). Senior secondary school students may participate in activities of the Scheme. Under the Senior Secondary Curriculum, students may, if necessary, consider entering their OLE data (including this Scheme) in their Student Learning Profiles, as a brief record of their whole-person development.

2. **Objectives**

   • To develop students’ sense of responsibility towards the environment; and
   • To nurture leadership among students and encourage them to take positive initiatives in improving the environment.

3. **Theme: “Waste Reduction and Management”**

   • “Waste Reduction and Management” is selected as the theme of the SEPA Scheme 2018/19 to promote waste reduction at source, and enable students to better understand waste management in Hong Kong and current policy initiatives.

4. **Student Environmental Protection Ambassador**

   4.1 **Charter**

   The SEPA Scheme is organised for students who are dedicated to building up a better environment for Hong Kong. Participating students are encouraged to:

   • think globally and act locally;
   • keep abreast of environmental issues in Hong Kong;
   • take part in environmental protection activities organised by the ECC, government departments, non-governmental organisations, environmental groups and community groups;
   • plan, organise and implement environmental protection projects at schools; and
   • set good examples in promoting sustainable development.

   4.2 **Appointment**

   4.2.1 All Primary 1 to Secondary 6 students are eligible to be appointed as SEPAs upon the nomination of their schools. Once appointed, the students will remain as SEPAs until the completion of their primary or secondary education.
4.2.2 Schools may nominate new SEPAs and update the number of existing SEPAs by completing and returning the Registration Form in Appendix 3b to the ECC Secretariat by email to schools@epd.gov.hk or by fax at 2827 8138 on or before 5 October 2018 (Friday).

4.3 Levels

4.3.1 There are three levels of SEPAs:

<table>
<thead>
<tr>
<th>Level</th>
<th>Class attending</th>
<th>Max no. of new SEPAs per school</th>
</tr>
</thead>
<tbody>
<tr>
<td>Junior SEPAs</td>
<td>P.1 – P.6</td>
<td>20</td>
</tr>
<tr>
<td>Intermediate SEPAs</td>
<td>S.1 – S.6</td>
<td>20</td>
</tr>
<tr>
<td>Senior SEPAs</td>
<td>S.4 – S.6</td>
<td>20</td>
</tr>
</tbody>
</table>

4.3.2 Junior SEPAs
Junior SEPAs assume the role of assistants to teachers and act as group leaders in organising school-based environmental activities.

4.3.3 Intermediate SEPAs
Intermediate SEPAs play similar roles as Junior SEPAs but their roles should be more independent when promoting environmental activities in schools or in the community.

4.3.4 Senior SEPAs
For effective co-ordination of environmental activities, schools are encouraged to set up environmental clubs. All Senior SEPAs should be either the chairpersons or committee members of the environmental clubs or other clubs involving in green activities, and participate actively in environmental activities in the community.

4.4 Log Book and SEPA Badge

4.4.1 Each SEPA will receive a SEPA badge and a log book. The log book can be used for a maximum of six years. Each SEPA should record in the log book the details of the environmental activities in which he/she has organised or participated in.

4.4.2 For replacement of log books for the existing SEPAs, schools can make their requests by completing Part B of Appendix 3b and submit it to the ECC.

5. Training and Activities for SEPAs

5.1 School-based Environmental Activities

Schools may seek financial assistance for organising school-based environmental activities by applying for the Environment and Conservation Fund under the funding scheme of Environmental Education and Community Action Projects. Application forms and related details can be downloaded from the ECC website (http://eeca.ecc.org.hk).
5.2 Training

5.2.1 Training for the Basic Environmental Badge and the Specific Environmental Badge is available for SEPAs under the Environmental Badge System. The ECC also provides teachers training on Basic Environmental Badge Assessment and Environmental Training Workshops. Heads of Schools may nominate their teachers to participate in the training workshops and consider counting the time teachers spent in the training workshops as Continuing Professional Development (CPD) hours. Details of the training are shown at Appendix 3c.

5.2.2 The training schedule and application forms for the 2018/19 school year have been uploaded onto the ECC website (http://school.ecc.org.hk) for interested schools to nominate SEPAs to participate in the training.

6. Awards for SEPAs

6.1 Outstanding SEPA Awards

At the end of the school year, each school may nominate up to three SEPAs to receive the “Outstanding SEPA Awards”, i.e. gold, silver and bronze awards. The nomination should be based on the performance of the SEPAs in the school-based and other environmental activities in this school year, and is entirely at the discretion of the head of school.

6.2 SEPA Merit Awards

Schools may also nominate their SEPAs with good performance for the “SEPA Merit Awards” in appreciation of their dedication and contributions.

7. Enquiry

For enquiries, please contact the ECC Secretariat on 2835 1772 or the EDB on 2153 7488.

    - SEPAs are required to complete the assignments given by trainers and to report to the ECC at least three environmental services/activities.
    - SEPAs who have successfully completed the above will be awarded the BEBs.

  - **Training arranged by Qualified Teachers for SEPAs**
    - The ECC will organise training on “Basic Environmental Badge Assessment” for teachers. Please refer to Part (C) for details. Teachers who have acquired the “Certificate of Qualified Assessor of Basic Environmental Badge for SEPAs” are qualified to organise seminars on general environmental knowledge for their students.
    - The content of the training programmes should be based on the resource materials of the BEB downloadable from the ECC website (http://school.ecc.org.hk).

(B) Specific Environmental Badge (SEB)

- **Objective**
  - To provide SEPAs with training on in-depth knowledge on specific environmental topics.

- **Details**
  - Seminars, workshops, field trips or other training programmes on specific environmental topics will be organised by the ECC for SEPAs who have acquired the BEBs.
  - SEPAs are required to complete the assignments given by trainers and to report to the ECC at least three environmental services/activities related to specific environmental topics.
  - SEPAs who have successfully completed the above will be awarded the SEBs.

(C) Training on “Basic Environmental Badge Assessment” for Teachers

- **Objectives**
  - To help teachers acquire general environmental knowledge and be qualified as BEB assessors; and
  - To help them develop a school-based assessment system for BEB in the long run.

- **Details**
  - The ECC will provide teachers with training on “Basic Environmental Badge Assessment”. Teachers who have completed the training will be presented with the “Certificate of Qualified Assessor of Basic Environmental Badge for SEPAs”.
  - Qualified teachers can offer training and present SEPAs of their schools with BEBs.

(D) Environmental Training Workshops for Teachers

- The objective of the training workshops is to enhance teachers’ knowledge of environmental protection.
School Physical Fitness Award Scheme (2018/19)

Aims / Objectives

This is to invite primary and secondary schools to participate in the captioned scheme.

Details

2. The School Physical Fitness Award Scheme (the scheme) is jointly organised by the Hong Kong Childhealth Foundation (HKCHF), the Physical Fitness Association of Hong Kong, China (HKPFA) and the Education Bureau (EDB). It aims at promoting physical activities and health-related fitness among primary and secondary students.

3. Students will be awarded gold, silver or bronze level certificates upon meeting the standards as specified in the scheme. Participating schools will be asked to upload the students’ fitness data to the scheme website by 30 June 2019 and will be awarded according to the students’ overall performance. Schools interested in joining the scheme should complete online registration at the HKCHF webpage (http://hkchf.hku.hk/registration.php). In addition, registered schools may apply for the equipment subsidy from the HKCHF.

4. The Annual Prize Presentation Ceremony (2017/18) is scheduled for 6 November 2018 at 2:00 p.m. at the Lecture Hall, Hong Kong Science Museum. School representatives who would like to attend the ceremony are kindly requested to register online or return the completed reply slip at Appendix 4a to the HKCHF by 21 September 2018.

“The Belt and Road Challenge” Inter-school Contest

Aims / Objectives

This is to invite all secondary schools in Hong Kong to participate in the captioned contest.

Details

2. The Hong Kong Trade Development Council (HKTDC) is organising “The Belt and Road Challenge”, an inter-school contest (thereafter the “Contest”) in the 2018/19 school year. It aims to encourage teenagers to broaden their horizons, gain a multi-faceted understanding of the Belt and Road Initiative as well as actively participate in the development of the Initiative. The Contest will be produced and broadcast by the Television Broadcasts Limited (TVB) as the co-organiser.

3. The Contest will be conducted in Chinese and Cantonese with two stages, the preliminary stage (online quiz) and the final stage (recorded session). Prior to the Contest, a series of mini-videos and information (Chinese version only) will be available on the Contest website for participants to learn more about the Belt and Road Initiative, the economic development and cultural aspects of the countries covered by the Initiative. Students who enter the final stage will have the chance to team up and interact with community leaders and personalities from different sectors to compete for the award in an interesting and educational way. For the Contest details and schedule, please refer to Appendix 7a.

4. As one of the supporting organisations, the EDB encourages all secondary schools to participate in this meaningful Contest. Interested secondary schools are invited to complete the reply slip at Appendix 7b and send the reply slip to beltandroadchallenge@hktdc.org by 12 September 2018 for further arrangement.

Web-based Learning Courses for Gifted/More Able Students 2018/19
(offered by the Education Bureau and
The Hong Kong Academy for Gifted Education)

Aims / Objectives

The aim of this annex is to invite primary and secondary schools to nominate students to the captioned courses.

Details

2. In order to provide appropriate enrichment learning opportunities for gifted/more able students to excel in their talented areas, the Education Bureau (EDB) has been providing web-based learning courses for gifted/more able students since 2008. Throughout the years, these courses have been well-received by teachers and students. In the 2018/19 school year, the courses will be organised by The Hong Kong Academy for Gifted Education (HKAGE) and EDB will be the supporting organisation. Schools are encouraged to nominate gifted/more able students from P4 to S6 to the courses.

3. These web-based learning courses cover five programmes including Earth Science, Palaeontology, Astronomy, Mathematics and the Changing Hong Kong Economy. They are available in both Chinese and English. Each of these programmes comprises three levels of study with standards of the highest level up to senior secondary. Certificates will be issued to those who complete each level of study and pass the level test. Students of appropriate age\(^1\) who pass the level 3 test in any one of the programmes will be eligible to apply for membership of the HKAGE.

4. Application to all programmes will be open from 23 October to 13 November 2018. Schools can nominate students to the programmes via the HKAGE online system within the period stated above (http://www.hkage.org.hk/en/student-programme/online). Successfully admitted students are required to complete the enrolled programme on or before 21 August 2019.

5. A briefing session to familiarise teachers with the latest arrangements will be jointly-organised by EDB and the HKAGE. Details are as follows:

---

\(^1\) Target members of the HKAGE are gifted students aged 10 to 18
Name: Using Web-based Learning Courses to Support Gifted/More Able Students to Pursue Self-directed Learning

Date: 11 October 2018 (Thursday)
Time: 9:30 am - 12:00 nn

Venue: W301, 3/F., West Block,
       EDB Kowloon Tong Education Services Centre,
       19 Suffolk Road, Kowloon Tong, Kowloon

6. Teachers wishing to attend the briefing session should enrol through the Training Calendar System of EDB (http://tcs.edb.gov.hk). Please visit the HKAGE web site for the most updated information of the web-based learning courses:

   Contact Person

7. For enquiries, please contact Ms CHOW Suet-ting, Haylie of the HKAGE on 3940 0101 or Mr TSANG Tin-tak, Issac of the Gifted Education Section, Curriculum Development Institute, EDB on 3698 3474.
The Thirteenth Hong Kong Budding Scientists Award

Aims / Objectives

The aim of this annex is to invite primary and secondary schools to participate in the captioned activity.

Details

2. The competition is co-organised by the Education Bureau (EDB) and the Hong Kong Association for Science and Mathematics Education. It aims to identify primary and secondary school students who are gifted/ more able in science, and to provide those students with a platform to develop their potential. It is expected that the experience acquired in the process of preparing for the competition would facilitate schools to organise similar school-based activities to enhance students’ collaboration, critical thinking, creativity and communication skills.

3. For methods of registration and details about the competition, please refer to the relevant webpage of EDB (http://www.edb.gov.hk/en/BSA). Deadline for the registration is 26 October 2018.

4. For enquiries, please contact Mr LEUNG Kin-tak, Joseph of the Gifted Education Section, Curriculum Development Institute, EDB on 3698 3477.
International Biology Olympiad – Hong Kong Contest 2018

Aims / Objectives

The aim of this annex is to invite heads of secondary schools to nominate their students studying in Secondary 5 or below to take part in the “International Biology Olympiad – Hong Kong Contest (IBO-HKC) 2018”.

Details

2. The IBO-HKC 2018 is co-organised by the Education Bureau and the Hong Kong Academy for Gifted Education (HKAGE). It aims at promoting biology education in Hong Kong and providing challenging enrichment learning opportunities for students with high potential in biology.

3. Details of the IBO-HKC 2018, including the background information, the date of competition, registration methods and regulations of the competition, are available on the website of the HKAGE (http://www.hkage.org.hk/en/competitions). Schools wishing to nominate students for the IBO-HKC 2018 may refer to the details announced on the above website.

4. A series of enrichment programmes arranged by the HKAGE will be provided for the high-achieving students in the IBO-HKC 2018. Those students with outstanding performance in the enrichment programmes might be selected to represent Hong Kong to take part in the 30th International Biology Olympiad in July 2019.

Hong Kong Observatory Radiation Education Programme (2018/19)

Aims / Objectives

This is to invite secondary schools to participate in the captioned programme.

Details

2. The captioned programme is organised by the Hong Kong Observatory (HKO) with an aim to enhance the understanding of radiation concepts among secondary school students, especially on ionising radiation monitoring and radiation protection as well as nuclear emergency preparedness.

3. The Radiation Education Programme consists of the following four items:
   i) On-site School Talk (Topic: Understanding Radiation and Nuclear Emergency Preparedness);
   ii) Guided Tour to King’s Park Meteorological Station;
   iii) Radiological Survey Vehicle On-site Demonstration; and
   iv) Exhibition Materials on “Understanding Radiation and Nuclear Emergency Preparedness” on Loan to Schools

4. Schools may apply for one or more than one item(s) of the programme. For application, please complete the respective application form(s) (Appendices 11a to 11d), and return it/them to the HKO by fax (fax no.: 2375 2645) or by email (email address: train3@hko.gov.hk) at least two weeks before the intended date of the activity. Applications will be processed on a first-come-first-served basis and the HKO will confirm with the schools whether their applications are accepted within one week upon receiving the application forms.

Annex 12

“Meet the Shaw Laureates 2018 – 
The challenges and the joy of doing science” Science Forum and 
“The Shaw Prize 2018” Exhibitions (2018/19)

Aims / Objectives

This is to invite secondary schools to attend the captioned Forum and visit the relevant Exhibitions.

Details

2. The Shaw Prize is an international award to honour individuals who are currently active in their respective fields and who have recently achieved distinguished and significant advances, who have made outstanding contributions in academic and scientific research or applications, or who in other domains have achieved excellence. The criteria for the awards include furthering societal progress, enhancing quality of life, and enriching the spiritual civilisation of humanity.

3. The Shaw Prize consists of three annual awards: the Prize in Astronomy, the Prize in Life Science and Medicine, and the Prize in Mathematical Sciences. To enable the public to know more about the scientific achievements of the Shaw Laureates, a forum titled “Meet the Shaw Laureates 2018 – The challenges and the joy of doing science” will be held on 28 September 2018 (Friday). The forum is presented by the Leisure and Cultural Services Department and the Shaw Prize Foundation, co-organised by the Hong Kong Science Museum, the Hong Kong Space Museum, the Education Bureau and the Hong Kong Education City Limited. In this forum, three Shaw Laureates of 2018 will share their experiences in scientific research. Schools interested in attending the Forum are requested to complete and return the attached Group Application Form (Appendix 12a) to the Hong Kong Science Museum by fax at 2311 2248 on or before 19 September 2018 (Wednesday). Acceptance is based on a first come first serve basis.

2018/2019 STEM Challenge Programme

Aims / Objectives

This is to invite secondary schools to participate in the captioned programme.

Details

2. The “2018/2019 STEM Challenge Programme” is organised by the MTR Corporation and supported by the Education Bureau. It aims to arouse the interest of S2 to S5 secondary school students on exploring the world around them and heighten their interest in STEM subjects. The programme consists of School Talk, STEM Challenge and Overseas Study Tour. Details are available at https://www.en.mtrstemchallenge.com.

3. “STEM Challenge” is a competition which offers students the opportunity to apply their STEM knowledge and develop their own vision for a theme related to innovation for sustainable infrastructure. Schools interested in nominating students for the competition may apply at the above-mentioned website on or before 5:00 p.m. on 28 February 2019.

Contact Person

4. For enquiries, please contact Ms Venus HO of the organiser on 9101 5710 or by email to venus.ho@anbhk.com.
2018 International Year of the Reef
Art and Design Competition (Hong Kong Competition)

Aims / Objectives

This is to invite kindergartens, primary and secondary schools to participate in the captioned competition.

Details

2. The competition is organised by Po Leung Kuk and supported by the Education Bureau. It aims at enhancing students’ understanding of the value of coral reefs and associated ecosystems, as well as raising their conservation awareness. The competition also provides an opportunity for local and overseas students to learn from each other and facilitate cultural exchange.

3. Details of the exhibition are available on the website of Po Leung Kuk: http://edu.poleungkuk.org.hk/match/artcompetition. The entry submission period is 7 to 9 November 2018.

Contact Person

4. For enquiries, please contact Ms CHEUNG of the Education Affair Department, Po Leung Kuk on 2277 8292.
A Journey on Learning the Arts for Senior Secondary Students

Aims/ Objectives

This is to invite secondary schools to participate in the captioned scheme.

Background

2. Aesthetic Development is an essential component of the Other Learning Experiences in the senior secondary curriculum. Throughout the three years of senior secondary education, every student is provided with learning time for Aesthetic Development. In addition to the learning during lessons, schools should also encourage students to appreciate the arts in authentic context outside the classroom environment.

Details

3. The scheme, organised by the Education Bureau (EDB) with support of the Leisure and Cultural Services Department and different arts groups, aims to encourage senior secondary students to participate in and appreciate arts programmes for enhancing their arts appraising skills as well as life-long interest in the arts. To encourage more students to actively participate in arts activities, the scheme is now extending to junior secondary students on a trial basis.

4. Programmes, including exhibitions and performances, will be arranged between October 2018 and February 2019. Some programmes will include guided tours or talks. Details of these programmes (Chinese version only) are attached at Appendix 15a.

5. The scheme is targeted at full-time S4 to S6 students and S1-S3 students (on trial basis) in the 2018/19 school year. Owing to limited places, each participating school can be allocated at most ONE programme from Group A and TWO programmes from Group B, and the maximum number of places allocated in each group is 30 and 160 respectively (the total number of places includes both junior and senior secondary students). A limited number of places will also be provided for teachers. Application from each school will be processed on a first come, first served basis and according to its priority of choices. To strengthen the effectiveness of learning and teaching, teachers should also attend the programmes and arrange related learning and teaching activities for their students.
6. As students will attend programmes conducted at venues outside school after school hours or during evenings, participating students should seek their parents’ consent before joining the programmes.

7. All tickets of the programmes are funded by public money. Schools must help ensure that the participating students and teachers attend the programmes as scheduled. If, prior to the commencement of a specified programme, the school management knows that the students concerned will not be able to attend, special arrangements should be made for other students to fill the places. If there is wasting of tickets owing to participants’ non-attendance without reasonable explanations, the schools concerned may need to pay for the fees of the tickets, while this will also affect the schools’ future applications for joining this scheme. Tickets allocated to schools are solely for use by the students and teachers concerned, and are not transferable to other parties in any cases.

8. Schools interested in Group A & Group B programmes of this scheme should complete the application form at Appendix 15b (Chinese version only) and return it on or before 21 September 2018 (Friday) by fax to the Arts Education Section of EDB (fax no.: 2336 8510). The EDB will contact schools about the results by fax within 2 weeks after the application deadline.

**Joyful Fruit Month 2018/19**

**Aims/Objectives**

All schools are invited to conduct structured activities to promote healthy fruit eating habits in a cheerful learning atmosphere. The month April in 2019 has been designated as the “Joyful Fruit Month”. The slogan of the year is “Two Servings of Fruit - Good for Health, Fun to Eat”.

**Details**

2. The project is co-organised by the Education Bureau, the Department of Health (DH), the Committee on Home-School Co-operation and other organisations with support from the Federations of Parent-Teacher Associations in all districts.

3. Participating schools could organise related activities in a flexible way. Pre-primary institutions may consider organising “Fruit Diary Card Award Scheme”, “Vote for My Favourite Fruit” and “Fruit Colouring Game”. Primary and special schools may consider organising “Joyful Fruit Month Billboard Competition”, “DIY handicraft activity”, “Fruit Colouring Game”, “English Crossword Puzzles” or “Fruit Origami Game”. Secondary school students may organise school-based activities under teachers’ guidance with a view to increasing the total fruit consumption of the school community.

4. The DH will provide relevant health education promotional materials such as banner, posters, pamphlets, teaching resources for the above mentioned activities as well as web-based resources to participating schools. To support the project, schools may choose to organise and design fruit promoting activities according to their school-based needs. The DH will acknowledge all participating and supporting schools on its “Joyful Fruit Month” website.

5. All pre-primary, primary and secondary schools are encouraged to participate in the “Joyful Fruit Month”. Please visit the EatSmart@school.hk website ([http://school.eatsmart.gov.hk](http://school.eatsmart.gov.hk)) from 2 October 2018 onwards for details and registration.

**Contact Person**

6. Enquiry can be directed to the Joyful Fruit Month Secretariat at below contact:
   - Tel: 2772 2012
   - Fax: 2772 2060
   - E-mail: joyfulfruitmonth@dh.gov.hk
The Joseph Needham Foundation for Science and Civilisation
Public Lectures on STEM Education

Aim / Objective

This is to invite teachers and students of secondary schools to participate in the captioned events.

Details

2. This series of lectures is co-organised by the Joseph Needham Foundation for Science and Civilisation, the Education Bureau, the Academy of Sciences of Hong Kong and the Hong Kong Science Museum, with an aim to promote Science, Technology, Engineering and Mathematics (STEM) education, and to enable students and the public, to learn more about the recent development of some STEM-related topics, including artificial intelligence, stem cells and regenerative medicine, and optical fibre technology; as well as to recognise the challenges and opportunities of innovation and entrepreneurship in Hong Kong.

3. There are four talks in this series, details are as follows:

</table>
| 1 9 October 2018 (Tuesday) 2:30 - 4:30 p.m. | Artificial Intelligence for Speaking and Listening for Learning and Well-being  
- Artificial intelligence has developed rapidly and its applications have become more diverse. One of the latest developments is to identify the pronunciation errors of English learners, and to support them on pronunciation training by providing feedback with synthetic speech having the characteristics of the learners’ voice. The guest speaker will share with us the development of this technology and how to apply it further in language therapy. | Prof Helen Mei-ling MENG, Department of Systems Engineering and Engineering Management, The Chinese University of Hong Kong (Language medium: Cantonese) |

| 23 October 2018 (Tuesday) 2:30 - 4:30 p.m. | **Innovation & Entrepreneurship: Crossing the Chasm — an Inverted Model**  
• Our society promotes the younger generation in innovation and entrepreneurship. However, there is a chasm between turning the innovative ideas into market products and the start-ups. How can Hong Kong take the advantage of being a smart city and grasp the opportunities related to the development in the Mainland to help the start-ups crossing the chasm? | Prof Emeritus Matthew Ming-fai YUEN, Department of Mechanical and Aerospace Engineering, The Hong Kong University of Science and Technology (Language medium: Cantonese) |
| 9 November 2018 (Friday) 2:30 - 4:30 p.m. | **The Wonders of Stem Cells and Regenerative Medicine**  
• Many animal species can regrow their missing organs by the stem cells present at the injury site. The guest speaker will discuss with the participants how humans can acquire the same regenerative and recovery ability by knowing the mystery of stem cells. | Prof Danny CHAN, School of Biomedical Sciences, Li Ka Shing Faculty of Medicine, The University of Hong Kong (Language medium: Cantonese) |
| 20 November 2018 (Tuesday) 2:30 - 4:30 p.m. | **The Wonders of Fibre Optics in Our Daily Life**  
• The development of optical fibre technology not only revolutionised modern communications and brought us into the Information Age, but also has some fewer-known applications like monitoring the safety of infrastructures such as | Ir Prof Alexander Ping-kong WAI, Vice President (Research Development), The Hong Kong Polytechnic University (Language medium: Cantonese) |
