Ref.	: EDB/CDI/TE/07-15-04					
Date	: 29 June 2020					

"Safety in School Workshops (2020)" Booklet

Summary

The purpose of this circular memorandum is to inform heads of secondary schools about the updating of the "Safety in School Workshops (2020)" Booklet.

Details

2. To meet the advancement in technology and facilitate schools to teach students to use tools and machine equipment safely in realising their design ideas, the Education Bureau (EDB) has updated the "Safety in School Workshops (2020)" Booklet. It will supersede the 2009 version. The Booklet has the following two new topics:

- 3D Printer (Section 9.11)
- Related Guidelines and Webpages (Appendix E).

3. Heads of schools are requested to bring the content of this circular memorandum to the attention of all Design and Technology teachers as well as other subject teachers who will conduct learning and teaching activities in school workshops. Schools should also refer to the Booklet when installing and using tools or machine equipment in other special rooms to conduct learning activities.

4. The "Safety in School Workshops (2020)" Booklet has been uploaded to the EDB website (<u>www.edb.gov.hk/en/te/dt-safety</u>) for teachers' reference.
