6. KGs are required to submit the completed schedules to their respective Senior School Development Officers or Senior Services Officers **on or before 31 March 2021**. If they fail to meet the deadline for submission and/or provide all the necessary information for processing their applications, EDB might not be able to inform the schools concerned on the approved revised fees before the commencement of the new school year and may take them as fee freezing cases.

7. EDB reserves the right to adjust the school fees of KGs to an appropriate level in the subsequent school years if the expenditure during the 2021/22 school year turns out to be less than the estimated expenditure on which approval of the school fee has been given.

8. School supervisors applying for fee increase for their KGs in the 2021/22 school year are requested to note the following:

- (a) KGs should be prudent in using the resources from school fees, and ensure that expenditure incurred is reasonable and necessary.
- (b) Only expenditure of allowable items will be considered in processing their applications. Allowable items refer to those directly related to learning and teaching, school operation and maintenance of education services. Details of the items are provided at Appendix 2.
- (c) Before submitting their applications, KGs are advised to inform parents of the amount of the proposed increase, explain to parents the reasons for fee increase, and take follow up actions in light of their views and concerns as early as possible.
- (d) For KGs which have made any disclosure of related party² transactions in this application, they should also report such transactions in the annual audited accounts of corresponding years.

Notes for Schedule 2A, 2B and 3

1. Other income paid by school to the principal/teaching staff/child care staff/supporting may include double pay, bonus, cash allowances (excluding mess allowance) and contract gratuity. It should be spread evenly over 12 months for the respective school year and included as part of the monthly salary. Please attach relevant copies of the certificates of the teacher training qualification of newly employed teacher(s)/CCW(s), if applicable, to this application form.
2. The annual salary and related expense of the principal/teaching staff/child care staff/supporting staff refers to the total amount of monthly salary and MPF/PF contribution actually paid after adjustments due to special circumstances (e.g. maternal leave, sick leave). The total expenditure should be the same as the respective amount of salary and related expenses reported in Schedule 4A(I)/4A(II) (i.e. Expenditure items 1.1 and 1.2).
3. According to the Employment Ordinance (Cap. 57), the qualifying period of employment for being eligible for long service payment is no less than 5 years of service under a continuous contract. Therefore, only the provision for long service payment for principal/teaching staff/child care staff/supporting staff with no less than 5 reckonable years of service up to end of 2021/22 in existing KG/KG-cum-CCC will be taken as a component for calculation of school fees. Information on long service payment/severance payment can be found from “A Concise Guide to the Employment Ordinance Chapter 11: Severance Payment and Long Service Payment” at:

Notes:

1. The costs of major repairs and maintenance (\$8,000 or more for each item) should be equally spread over 3 years for the purpose of fee revision application, starting from the year in which the costs are incurred. Items funded by Lotteries Fund should not be included.
2. If applicable, the rates of depreciation per annum for fixed assets, furniture and equipment, etc. are as follows (Annual depreciation is not applicable to those items funded by Lotteries Fund.):
 - (i) school premises: 2.5% [not applicable to rented school premises]
 - (ii) furniture / equipment / fixtures / fittings: 20%
 - (iii) computer hardware and software: 30%
3. Only if the school supervisor is assigned to perform specific duties [NOT those general duties as a school supervisor] in the KG/KG-cum-CCC, the remuneration will be considered for calculation of the school fees. If so, descriptions of the specific duties should be attached to this application. It is the responsibility of the school to prove to the satisfaction of EDB that the supervisor is performing specific duties, in addition to the general duties of a supervisor, to justify the payment of remuneration to him/her. For school supervisors serving in more than one KG/KG-cum-CCC and are/would be assigned with specific duties in each KG/KG-cum-CCC, the remuneration should be paid by each KG/KG-cum-CCC according to the respective duties performed in this KG/KG-cum-CCC and the following information should also be provided for consideration:
 - (i) the number of KGs/KG-cum-CCCs that the school supervisors are/would be assigned with specific duties;
 - (ii) the (proposed) amount of remuneration from each of these KGs/KG-cum-CCCs;
 - (iii) the proportion of the time allotted to each of these KGs/KG-cum-CCCs for performing these duties; and
 - (iv) the estimated working hours per week/month in each of these KGs/KG-cum-CCCs for performing the duties.
4. For schools with a proposed increase in fees in any one level, please:
 - (i) complete Schedule 4B(I)/4B(II) if the total amount of “other operating expenses” (item 2.11) in Schedule 4A(I)/4A(II) exceeds 10% of the “TOTAL EXPENDITURE” in 2020/21 Revised Estimate and/or 2021/22 Estimate; and
 - (ii) provide further breakdowns of “Other expenditure” (item 17) of Schedule 4B(I)/4B(II) if it exceeds 5% of the total amount of “other operating expenses” (item 2.11) in Schedule 4A(I)/4A(II) for the 2020/21 Revised Estimate and/or 2021/22 Estimate.

Besides, schools procuring any forms of administration support services on school administrative matters from their sponsoring bodies or other organisations, the nature, justifications, manpower involved and breakdowns of cost should be provided separately for EDB’s consideration. Administration fee paid for support services from sponsoring bodies or other related parties should be reported as related party transaction with related party in the school’s audited accounts.

5. For donation income without specific purpose, the corresponding expenditure which may not be able to be recorded under item 2.10 separately can be subsumed into the items under non-salary related expenses as appropriate.

Remarks:
