

Education Bureau Circular Memorandum No. 91/2021

From: Secretary for Education

Ref: EDB(SA1)/SA/POL/6/1(16)

Date: 24 June 2021

To: Supervisors and Heads of all Government, Aided (including Special Schools), Caput Schools and Schools under the Direct Subsidy Scheme (DSS)

Opening up School Facilities for Promotion of Sports Development Scheme (2021/22 School Year)

Summary

This circular memorandum serves to invite applications from public sector schools (government, aided and caput schools) and schools under the Direct Subsidy Scheme (DSS) to participate in the “Opening up School Facilities for Promotion of Sports Development Scheme” (the Scheme) in the 2021/22 school year, which is jointly implemented by the Education Bureau (EDB) and the Home Affairs Bureau (HAB).

Background

2. It has been the government policy to encourage schools to open up their facilities, for hire to outside organisations to foster collaboration between schools and the community. According to the Policy Address announced in January 2017, public sector schools are encouraged to further open up their facilities, and review the promotion of sports development in schools to encourage students to develop a healthy sporting habit.

3. To take forward the initiative, EDB and HAB jointly launched the Scheme in the 2017/18 school year to encourage public sector schools to open up school facilities for sports organisations to hold sports programmes. The Scheme has been well received by participating schools and sports organisations since its launch. Various enhancement measures have been implemented since the 2018/19 school year, which include extending the Scheme to DSS schools; increasing the subsidy rates for schools; allowing non-profit organisations with track records of running sports programmes in schools and the community

to participate in the Scheme on a pilot basis; and inviting participating schools to apply for subsidies under the Sir David Trench Fund to set up or improve sports facilities of the schools concerned to further promote sports development at the community level.

Details

4. Under the Scheme, schools are strongly encouraged to open up their facilities (such as school hall, activity room, open and/or covered playground with ball courts, sports ground, classroom and soccer pitch) as far as possible for sports organisations to hold sports programmes during weekends, school holidays and/or after school hours from 1 September 2021 to 31 August 2022. Within the aforesaid period, participating schools should open up the facilities concerned for a total of at least 24 hours (e.g. 12 two-hour, 8 three-hour or 3 eight-hour continuous sessions)¹ for each programme. Participating schools may also provide more than one facility for the sports organisations to hold separate programme(s) during the same time slots and/or at different time slots. The facilities made available for hire must be safe and in good condition.

5. To encourage schools to cultivate a sporting culture in a whole school approach, sports organisations offering programmes under the Scheme for members of the community are required to reserve one-fourth of the places in each sports programme for priority enrolment of students, teachers and/or parents of the participating school who meet the technical requirement(s) (if any) of the sports programme. This arrangement enables schools to enhance students' participation in sports and would optimise the use of resources for the promotion of sports development.

6. “National sports associations” (NSAs) (including relevant affiliated club members), “district sports associations” (DSAs) and other sports organisations provided by HAB eligible for the Scheme are set out at Annex 3. These sports organisations are required to observe the conditions of use of school facilities and make necessary arrangements to protect schools against any claims, losses or damages which may be incurred due to hirers' act of negligence. For details of the conditions of use of school facilities, please refer to Part C of Section I at Annex 1.

¹ The minimum duration of each session is one hour.

Application Procedures

7. Schools which intend to participate in the Scheme should complete the form “Application for Participation” at Annex 2 and return the duly completed form to their respective Chief School Development Officer on or before **9 July 2021**. Schools which have submitted application for participation in the Scheme in the 2020/21 school year or before, and would like to continue participating in the Scheme in the 2021/22 school year, are still required to submit a *fresh* application for the school year by completing Annex 2 and return it to EDB in the same manner. A consolidated list of school facilities available for hire will be forwarded to eligible sports organisations, through HAB, before 16 July 2021 for their consideration whether to apply for use of the school facilities available. Sports organisations may consider filing an application according to the information and liaise directly with the schools concerned.

8. We encourage NSAs, their affiliated club members, DSAs, sports organisations provided by HAB, and organisations fulfilling the eligibility criteria listed in Annex 3 which are interested in hiring school facilities from participating schools to contact the schools direct for more information. Schools may also discuss with the sports organisations about the intended use of the required facilities, time slots available and details of the programmes planned.

9. Interested sports organisations should submit the form “Application for Hiring of School Facilities by Sports Organisation” (Section I of Annex 1) to EDB, with a copy to HAB and the schools concerned, on or before **6 August 2021**. Upon HAB’s confirmation on the eligibility of the sports organisations, EDB will inform the schools concerned of the results on or before **10 August 2021**. Participating schools reserve the right and discretion on whether or not to accept the application from the sports organisations. Schools are requested to confirm their acceptance of the applications by completing Section II of Annex 1 and return it to EDB on or before **17 August 2021**. HAB will subsequently notify the sports organisations of the application results. The workflow for processing applications under the Scheme in the 2021/22 school year is at Annex 4.

Subsidies Arrangement

10. With approval for hiring school facilities given by EDB on or before **24 August 2021**, participating schools will be given a subsidy of \$30,000 for launching the first programme and

\$20,000 for each subsequent programme (if any), up to a maximum of \$130,000 per school in the 2021/22 school year (i.e. a maximum of 6 programmes will be subsidised). The subsidies can be used for hiring extra manpower, strengthening security measures, defraying additional utility costs, replacing or acquiring equipment/ appliances needed, carrying out urgent minor repair works, etc. in relation to the approved sports programmes.

11. To ensure proper and prudent use of the subsidies, sports organisations are required to confirm with HAB before **30 June 2022** on the actual number of programmes organised in the 2021/22 school year before final payment of subsidies is released to participating schools². Details of the subsidy are provided at Annex 5.

Main Fund of the Sir David Trench Fund for Recreation

12. To further promote sports in the community and to encourage schools in joining the Scheme, schools which have successfully hired out their facilities to sports organisations under the Scheme will be eligible to apply for subsidies under the two categories of the Sir David Trench Fund for Recreation (Main Fund) for 2021-22, namely (i) Capital Works Project and (ii) Special Project. The Capital Works Project provides a grant up to \$0.7 million for schools to build new sports facilities; while the Special Project will provide a grant ranging from \$0.7 to \$4 million for schools to carry out minor works for the construction and improvement of their sports facilities, as well as to purchase sports equipment. Interested schools should submit their completed applications, together with the supporting documents, to the Secretariat of the Fund direct **before 31 August 2021**. Each school is only allowed to submit an application for either funding category per school year. Depending on the application results, successful applicants must enlist the facilities subsidised by the Fund to be open up under the Scheme for three consecutive years upon completion of works. The arrangement fosters the collaboration between the schools and the community, with a view to promoting sports in the community. Application results will be announced by December 2021. Schools may download the funding guidelines and application form of the Sir David Trench Fund for Recreation (Main Fund) from the links below.

².Schools are required to verify and duly sign the “Programme Report” prepared by the sports organisations by 30 June 2022 to confirm the number of programme(s) held and the respective number of hours completed under each programme. HAB will provide the sports organisations with template of the Programme Report in due course.

13. On levying charges for hire of accommodation in respect of the programmes run by sports organisations under the Scheme, participating schools are strongly advised to adopt the reduced rates as specified in the respective Guidelines for Levying Charges for Hire of Accommodation in aided schools and government schools issued by EDB or concessionary rates according to school-based policy for DSS and caput schools, so as to make the charges more affordable to the non-profit making sports organisations and to demonstrate schools' support in promoting sports at the community level. If circumstances warrant, aided, caput and DSS schools may also waive the charge altogether. Please refer to the EDB Internal Circular No. 6/2005 and EDB Circular No. 5/2011 respectively and the Guidelines for Levying Charges posted on EDB homepage at <https://www.edb.gov.hk/en/student-parents/sch-info/fees-charges-in-sch/aided-sch/index.html>.

Part C: Conditions of Use of School Facilities (if Application is Approved)

1. The hired facilities shall only be used for the designated programme(s) specified in Part B, unless with prior approval of the school.
2. All users must wear appropriate attire, footwear, use appropriate equipment, protective gear as necessary. The sports organisation shall take appropriate action to safeguard the health and safety of all users.
3. In the event of the COVID-19 pandemic, sports organisations must abide by the infection control and social distancing measures promulgated by the Government when they organise sports programmes under the Scheme.
4. The sports organisation shall be a non-profit making organisation and shall not use the school facilities for holding sports programme for profiteering. The primary purpose of programmes organised under the Scheme should be to promote sports development.
5. All users must leave the school at the end of each session specified in Part B.
6. Eating and drinking shall not be permitted inside the activity areas. Smoking is strictly prohibited in school.
7. The school will close the facilities upon issue of Tropical Cyclone Signal No. 8 or the RED/BLACK Rainstorm Warning Signal. The school may also exercise discretion to close the

facilities when, in its opinion, that the facilities are unsuitable for use from safety or operation point of view. In such case, the school will refund the hire charge for the unused session(s).

8. If a confirmed session has to be cancelled by the school owing to inclement weather or other circumstances in accordance with Condition 7, the sports organisation may discuss with the school for reallocation of the unused session(s). However, the school does not guarantee the availability of any suitable session for reallocation.
9. The sports organisation undertakes to reserve one-fourth of places in each sports programme for priority enrolment of students, teachers and/or parents of the school who have met the technical requirement(s), if any, of the sports programme.
10. The sports organisation shall submit a programme report to HAB for each programme organised under the Scheme within **two months** after the end of the programme.
11. The sports organisation shall confirm with HAB the actual number of sports programmes organised and the respective number of hours completed in each of the programmes by submitting the “Programme Report” that is verified and duly signed by the partnering school before 30 June 2022. The HAB will provide a template of the Programme Report to the sports organisations via email in due course. The sports organisation shall report to EDB and HAB as soon as possible in case the sports programme(s) are cancelled.
12. The sports organisation shall be responsible for meeting the cost of repairing any damage caused to the facilities, and of repairing or reinstating or replacing any equipment, apparatus, fitting, or other property damaged or destroyed (fair wear and tear excepted), stolen or removed during the use of school facilities.
13. The sports organisation shall take out adequate insurance policy for programmes organised under the Scheme including third party liability insurance. The sports organisation shall also purchase a third party liability insurance of a specified amount with the respective school as insured party as appropriate and make a copy of the insurance policy to school for record.
14. The sports organisation shall indemnify and keep indemnified school against all actions, claims, and demands by any person who suffers or sustains any death, injury, loss or damages arising out of or as a result of the use of school facilities by the sports organisation or any person so authorised by it due to the negligence on the part of sports organisation or on the part of such authorised person.
15. The sports organisation shall not make, publish, display or disseminate event related publicity materials that contain false, biased, misleading or deceptive information. The sports organisation shall not expressly or by implication make reference to the school in any publicity materials without prior permission of the school.
16. The sports organisation shall not admit members of the public to the school during the use of school facilities as spectators, without the prior approval of the school.
17. The school reserves the right to reject or cancel the hiring of facility by giving reasonable prior notice to the sports organisation and also to restrict the number of users entering the school or to refuse entry of any person upon health ground or any other reasons.
18. The school may refuse the sports organisation from using the facilities if the sports organisation does not observe the Conditions of Use in Part C.

Opening up School Facilities for Promotion of Sports Development Scheme (2021/22 School Year)

Subsidy to Schools

With EDB's approval for hiring school facilities under the Scheme, participating schools will receive a subsidy to support hiring out their facilities to sports organisations to hold sports programmes. The subsidy is \$30,000 for the first programme^{Note} and \$20,000 for each subsequent programme organised by the sports organisation in the 2021/22 school year. The subsidy is capped at \$130,000 per school for the 2021/22 school year (i.e. a maximum of 6 programmes will be subsidised). Details are as follows:

Number of sports programme	Total amount of subsidy to be received by the school
1 programme	\$30,000
2 programmes	\$50,000
3 programmes	\$70,000
4 programmes	\$90,000
5 programmes	\$110,000
6 or more programmes	\$130,000

Note: At least a total of 24 hours (e.g. 12 two-hour, 8 three-hour or 3 eight-hour continuous sessions) for each programme. The minimum duration per session is one hour.

Disbursement Arrangement

The subsidy will be disbursed to aided, caput and DSS schools in October 2021, April and July 2022. For government schools, the subsidy will be provided in the form of budget allocation in two batches in October 2021 and April 2022. The final amount of subsidy payable to each school will be subject to the actual number of programmes **successfully organised** under the Scheme in the 2021/22 school year as confirmed by sports organisations with HAB by **30 June 2022**. Adjustment on the amount of subsidy will be made in the final instalment, if necessary.

Accounting Arrangement

Schools are required to keep a separate ledger account for the subsidy to record all allocation/income and expenditure chargeable to the subsidy. Relevant expenses incurred in connection with the hiring of school facilities under the Scheme to sports organisations such as hiring extra manpower (including salaries, Mandatory Provident Fund etc.), strengthening security measures, defraying additional utility costs, replacing or acquiring

equipment/appliances needed, carrying out urgent minor repair works, etc. should be met by the subsidy and no additional subsidy would be provided to cover such expenses. Please note that only expenses incurred on the hiring of school facilities under the Scheme to sports organisations could be charged to the subsidy account. Any deficit should not be charged to government funds. For government schools, expenditure should be charged to the user code assigned and the expenditure in a financial year could not exceed the allocation in that year. Unspent balance of the allocation for government schools will lapse at the end of the 2021/22 school year. For aided, caput and DSS schools, unspent balance of the subsidy in the ledger account as at 31 August each year will be clawed back based on schools' annual audited accounts. Transfer of funds out of this subsidy is not allowed.
