Online Knowledge Enrichment Programmes on “Understanding Our Country”

(Note: This circular memorandum should be read by heads of all primary and secondary schools)

Summary

This is to invite heads of primary and secondary schools to encourage teachers to enrol in the Online Knowledge Enrichment Programmes on “Understanding Our Country”.

Details

2. To facilitate schools’ systematic and comprehensive planning and implementation of national education, including Constitution, Basic Law and national security education, the Curriculum Development Institute of the Education Bureau (EDB) organises diversified professional development programmes for serving teachers on an ongoing basis.

3. The Online Knowledge Enrichment Programmes on “Understanding Our Country” aim to enable primary and secondary school teachers to acquire a deeper understanding of areas related to national education, thereby helping them consolidate and deepen students’ basic understanding of our country and the national conditions. The Programmes comprise 4 modules. For details, please refer to the EDB Training Calendar.
