Applied Learning Courses (2023-25 Cohort; 2025HKDSE¹)

(Note: This circular memorandum should be read by heads and teachers of all secondary schools.)

Summary

The purpose of this circular memorandum is to announce the implementation details for the Applied Learning (ApL) courses (2023-25 Cohort; 2025 HKDSE), and invite schools to offer ApL courses and submit applications for their students.

Details

I. Basic Information

Course Features

- ApL is a valued senior secondary elective subject which complements other senior secondary subjects to form a flexible subject combination that helps enrich students' subject choices. The courses focus on practical learning elements linked to broad professional and vocational fields with dual emphasis on theory and practice. It develops students' knowledge, generic skills, positive values and attitudes through providing simulated or authentic contexts, as well as deepens students' understanding of vocational and professional education and training (VPET), preparing them for further studies and work in future.
- ApL covers six Areas of Studies, namely Creative Studies; Media and Communication; Business, Management and Law; Services; Applied Science; and Engineering and Production. In addition, Applied Learning Chinese (for non-Chinese speaking students) (ApL(C)) is provided exclusively for non-Chinese speaking (NCS) students meeting specified circumstances².
- For important information such as assessment requirement, attendance requirement and recognition of ApL, etc., please refer to *Annex 1*.
- ApL courses are Category B subjects of the HKDSE. All senior secondary students studying the curriculum prepared by the Curriculum Development Council and published for use in schools by the Education Bureau (EDB) may take a maximum of two ApL courses as elective subjects in accordance with their interests and aspirations. NCS students meeting specified circumstances can also take one ApL(C) course. Guidelines for nominating students to take ApL courses and ApL(C) courses are provided respectively at *Annex 2* and *Annex 3*.

¹ HKDSE refers to the Hong Kong Diploma of Secondary Education Examination.

² Students who have learned Chinese Language for less than six years while receiving primary and secondary education; or students who have learned Chinese Language for six years or more in schools, but have been taught an adapted and simpler Chinese Language curriculum not normally applicable to the majority of students in local schools.

6. The duration of each ApL course (except ApL(C)) is 180 contact hours, generally spanning two school years at the senior secondary level, commencing either at Secondary 4 (S4)³ (to be completed at Secondary 5 (S5) or S5 (to be completed at Secondary 6 (S6)). The duration of each ApL(C) course is 270 contact hours, spanning S4 to S6. The results of Applied Learning courses for the 2023-25 cohort will be released on the results release day of the 2025 HKDSE⁴.

Modes of Implementation

7. Schools may adopt the following two non-exclusive modes in implementing ApL courses to suit their school contexts:

Mode 1	Lessons to be held mainly on Saturdays at the venues of the course providers and delivered by tutors recognised by the course providers. Schools should arrange their students to attend the lessons according to the timetables set by the course providers.
Mode 2	<ul style="list-style-type: none"> • Lessons to be held mainly in schools offering ApL courses and delivered by tutors recognised by the course providers. Schools have to reach an initial agreement and formulate the implementation details with the course providers, including the timetables, class venues and provision of facilities, etc. (Remark: To cater for students' diversified learning and development needs, schools should carefully consider the number of classes of individual courses to be offered. The EDB / course providers will contact the schools concerned, if necessary, to understand their situation and provide advice.) • Schools may also consider collaborating with other schools to offer ApL courses with the support of the course providers. For instance, schools in the same/nearby districts may jointly offer one or more ApL courses with agreed implementation details including timetables, class venues, provision of facilities, etc. to enrich subject choices for their students. Schools interested in offering ApL courses in collaboration with other schools can express their intentions by submitting the form at <i>Annex 4</i> and/or <i>Annex 5</i> to the EDB.

Funding Arrangement

8. Aided, government and caput schools, schools under the Direct Subsidy Scheme and special schools operating senior secondary classes offering the local curriculum are eligible for the Diversity Learning Grant (DLG) for ApL and Student Grant for ApL(C) to offer ApL and ApL(C) courses and to pay the course fees charged by the respective course providers. Schools receiving the grants are NOT allowed to charge students any course fees. In case a student also takes the adapted ApL course(s), each adapted ApL course will be counted as an ApL course in the funding arrangement. Please refer to the funding and accounting arrangements at *Annex 6* and *Annex 7*.

³The piloting of the commencement of ApL courses at S4 was first implemented in Mode 2 in the 2013/14 school year. In the 2020/21 school year, in order to take forward the recommendations made in the final report of the Task Force on Review of School Curriculum, the EDB has regularised the commencement of ApL at S4 so that students would complete the 180-hour ApL courses at S5.

⁴For students who repeat Secondary 4, Secondary 5 or defer taking Applied Learning courses due to special circumstances, please contact the Applied Learning Section of the EDB or the Hong Kong Examinations and Assessment Authority for the administrative and results release arrangements if necessary.

II. Applied Learning Courses offered for the 2023-25 Cohort (2025 HKDSE)

9. Regarding the 2023-25 cohort, i.e. the cohort of students sitting the 2025 HKDSE, the EDB has already approved the offer of a total of 58 ApL courses to schools and students, including two pilot ApL courses, three ApL(VocE) courses and three ApL(C) courses. The course list is provided at *Annex 8*. The course information (including course synopses, key elements in learning and teaching) of the ApL courses will be uploaded to the EDB website (www.edb.gov.hk/apl/en) in due course. Contact information of the course providers is available on the EDB website (www.edb.gov.hk/apl/en/course-providers). According to the prevailing arrangement, schools should arrange for students taking the ApL courses (2023-25 Cohort; 2025 HKDSE) to apply for entering the relevant ApL subjects in the 2025 HKDSE regardless of whether the students commence their study of ApL courses at S4 or S5.

Pilot Applied Learning Courses

10. To explore the future development of ApL (including greater engagement of industries), the EDB had approved the offer of two Pilot ApL Courses⁵: “Tech Basics” and Multimedia Storytelling”. The organisations participating in the pilot courses include the course provider (the School of Continuing Education of the Hong Kong Baptist University) and all participating schools.

Applied Learning (Vocational English)

11. Introduced since the 2020/21 school year, ApL(VocE) is designed to enhance the learning opportunities of students with diverse learning needs, particularly those who benefit from a strong practical orientation in English language learning. Through ApL(VocE), students can advance their English communication skills and career-related competencies in simulated applied learning contexts related to work and social situations. **English Language is a core subject under the local senior secondary curriculum⁶; senior secondary students with an interest in VPET may consider taking ApL(VocE) as an elective subject** to prepare themselves for further studies or career pursuits. The duration of each ApL(VocE) course is 180 contact hours. For the curriculum framework of ApL(VocE), please refer to the EDB webpage: www.edb.gov.hk/apl/ApL_Eng.

12. Students’ assessment results in ApL(VocE) are reported in three levels: “Attained”, “Attained with Distinction (I)”, and “Attained with Distinction (II)” on the HKDSE certificate. **The result in this subject is not deemed equivalent to any level in the HKDSE English Language Examination, nor can it be used as an alternative qualification for English Language.**

Applied Learning Chinese (for non-Chinese speaking students)

13. ApL(C), introduced since the 2014/15 school year, is designed to provide a simulated applied learning context to help **NCS students build a foundation for using Chinese in the workplace and obtain an alternative Chinese language qualification to prepare them for further studies and career pursuits.** In the language learning process, students apply listening, speaking, reading, and writing skills in an integrated way and learn the Chinese language in different contexts.

⁵ Pilot ApL Courses are a part of the CLAP-TECH project that aims to develop a learning pathway with the engagement of industries. The learning pathway starts with students taking “Pilot ApL Course — Tech Basics” or “Pilot ApL Course — Multimedia Storytelling”, and provides an opportunity for those with HKDSE results meeting the minimum entry requirements for sub-degree programmes to articulate to a related Higher Diploma programme.

⁶ Under the adapted curriculum for students with intellectual disabilities, English Language is not a core subject.

14. Schools admitting NCS students should consider whether to offer ApL(C) courses at S4 taking into account the language ability, interests and aspirations of their NCS students. Please refer to the guidelines for nominating students to take ApL(C) courses at *Annex 3*, and other relevant information on ApL(C) on the EDB website (www.edb.gov.hk/en/aplc).

III. Application Procedures and Relevant Information

Application Procedures

15. Schools intending to offer ApL courses and ApL(C) courses should submit applications for their students via the “ApL Module” in the WebSAMS during the following application periods, and arrange the student applicants to participate in the selection arrangements to be announced by the course providers in due course. The application periods are as follows:

Course	Target Student	Application Period
ApL	Students intending to take ApL courses commencing at S4 in the 2022/23 school year	20 May to 22 June 2022
	Students intending to take ApL courses commencing at S5 in the 2023/24 school year	22 February to 12 April 2023
ApL(C)	S4 NCS students intending to take ApL(C) courses in the 2022/23 school year	12 October to 8 November 2022

16. Schools may make reference to the application procedures stated in the “User Manual for the ApL Module in WebSAMS” uploaded on the website: cdr.websams.edb.gov.hk/ (path: home page > system documents > user manual > Applied Learning). The important dates on offering ApL and ApL(C) courses are given at *Annex 9 to Annex 11*.

Support for Students and Parents

17. Schools should arrange appropriate activities for both students and parents to deepen their understanding of ApL courses and provide students with guidance on subject selection in order to help them make informed choices. For example, schools may organise talks for students and parents, distribute the ApL course prospectus/leaflet, encourage them to participate in the ApL courses exhibition, Taster Programmes and refer to the online resources prepared by the course providers. For the details of the course exhibition and Taster Programmes, please refer to *Annex 12*.

Support for Teachers

18. To facilitate schools in implementing ApL courses for the 2023-25 cohort, the EDB will organise a briefing session in May 2022, as well as professional development programmes/seminars for teachers in the 2022/23 school year. Details will be announced through the Training Calendar System in due course.

Important Information on Applied Learning

Quality Assurance

1. The Education Bureau (EDB) has institutionalised an Applied Learning (ApL) quality assurance mechanism involving the Curriculum Development Council Committee on ApL, the Hong Kong Council for Accreditation of Academic and Vocational Qualifications and the Hong Kong Examinations and Assessment Authority (HKEAA) to ensure that courses are developed according to the design principles; the curriculum is delivered as designed; and the learning outcomes of students can meet the set standards.

Assessment Requirement

2. ApL courses are Category B subjects of the Hong Kong Diploma of Secondary Education Examination (HKDSE), and there is no public examination for ApL subjects. The assessment of each ApL subject comprises six to ten tasks undertaken within the period of study. Course providers will conduct assessments of the respective ApL subjects while the HKEAA is responsible for moderation of the assessment results submitted by the course providers. The moderated results will be recorded on the HKDSE certificate.

Attendance Requirement

3. Students taking ApL courses are required to attend lessons (e.g. lecture and e-learning) and other learning activities (e.g. application and practice activities, site visits and project learning) arranged by the course providers. Schools should avoid arranging compulsory school activities for students during the ApL lesson time to support their learning, and also remind students to attend ApL lessons punctually. **The attendance rate of ApL courses has to reach at least 80% of the total contact hours.** To keep schools informed of students' learning progress and attendance to facilitate the provision of support to students, the EDB will provide interim results and attendance reports of the students to schools.

Reporting of Performance

4. The reporting of students' performance in ApL subjects (except ApL(C)) is by three levels, namely, "Attained", "Attained with Distinction (I)" and "Attained with Distinction (II)". Performance of "Attained with Distinction (I)" and "Attained with Distinction (II)" are deemed comparable to Level 3 and Level 4 or above of Category A subjects of the HKDSE respectively. **As for ApL(C), student performance is reported as "Attained" and "Attained with Distinction".** For all ApL courses, candidates with performance below the standard of "Attained" or attendance rates below 80% will be designated as "Unattained", which will not be reported on the HKDSE certificate.

Recognition

5. In addition to the HKDSE qualification, students who have successfully completed ApL courses that are registered in the Qualifications Register as certificate programmes at Qualifications Framework (QF) Level 3 will obtain a QF Level 3 certificate to be issued by the course providers. **ApL(C) is pegged at QF Level 1 to Level 3, whereas ApL(VocE) is pegged at QF Level 2 to Level 3.** Students taking ApL(C)/ApL(VocE) will obtain the respective QF certificate(s) issued by the course providers upon meeting the assessment and attendance requirements of different QF levels of the courses. Details are available on the Qualifications Register website (www.hkqr.gov.hk).

Further Studies and Work

6. All along, student admission in tertiary institutions has followed the principle of institutional autonomy. For further studies in undergraduate programmes, tertiary institutions value the learning experiences that students acquire in ApL. ApL subjects are recognised as elective subjects, or considered for award of extra bonus or additional information, varying by individual institutions, faculties or programmes.

7. For further studies in sub-degree programmes, students with level 2 or above in five HKDSE subjects (including Chinese Language and English Language) are eligible to apply for admission to Associate Degree or Higher Diploma Programmes. In general, each student is allowed to use up to two ApL subjects in the application. For details, please also refer to the relevant websites of individual institutions or the EDB website (www.edb.gov.hk/apl/en/quality-assurance-and-recognition).

EDB website

8. ApL(C) provides NCS students with an additional channel to obtain an alternative Chinese Language qualification. **For the purpose of admission to post-secondary education programmes, ApL(C) is in general accepted as an alternative Chinese Language qualification, but it is not considered an elective subject** (please refer to the EDB Circular Memorandum No. 40/2017 for details). Currently, University Grants Committee-funded universities and most post-secondary institutions accept ApL(C) as an alternative qualification in Chinese Language for the admission of NCS students with “Attained” as the minimum grade required. For details on recognition, please refer to the relevant websites of individual institutions or the EDB website (www.edb.gov.hk/apl/en/quality-assurance-and-recognition).

9. The Civil Service Bureau (CSB) accepts students’ ApL results in the HKDSE (including “Attained” and “Attained with Distinction”, up to a maximum of 2 ApL subjects) in civil service appointments. For details, please refer to the website of CSB (www.csb.gov.hk/english/info/2170.html). The CSB also accepts “Attained” and “Attained with Distinction” in ApL(C) as meeting the Chinese language proficiency requirements of relevant civil service ranks. For details, please also refer to the website of CSB (www.csb.gov.hk/textonly/english/admin/appoint/35.html).

Guidelines on Nominating Students for Applied Learning Courses
(excluding Applied Learning Chinese (for non-Chinese speaking students))

Schools may refer to the following guidelines in nominating students for Applied Learning (ApL) courses:

- For diversified learning, a flexible combination of ApL with core subjects, elective subjects and Other Learning Experiences helps provide theoretical and applied learning opportunities to cater for students' diverse learning needs. Schools should **NOT** prioritise their nominations simply based on students' academic results.
- Schools should provide guidance to students in choosing ApL courses according to their interests and aspirations.
- Each student can **apply for and take a maximum of two** ApL courses (excluding Applied Learning Chinese (for non-Chinese speaking students)). If applying for and taking two ApL courses, students have to list their choices in order of preference. Students have to go through a selection process, after which they may opt to accept offers of **one or two ApL** courses based on their preferences.
- Before collecting students' personal data, schools must seek students' consent and provide the "Student Agreement Form" to students who apply for and take ApL courses. The form can be downloaded at the EDB website (www.edb.gov.hk/apl/en/forms-download). The completed forms should then be collected for retention by the school. In accordance with the Personal Data (Privacy) Ordinance, schools should ensure that all students' personal data are handled by authorised personnel of the schools only. 
- For students with **special educational needs**, schools may opt to submit supplementary information, along with their applications for ApL courses, for reference of the course provider(s) concerned. The form can be downloaded from the website of the Education Bureau (EDB) (www.edb.gov.hk/apl/en/forms-download). The completed form should be sent to the EDB via fax at 2714 2456 for transmission to the course provider(s) concerned as reference. The course provider(s) may contact the schools concerned to make special arrangements for selection interviews if deemed necessary. The EDB encourages schools to keep in close contact with the course providers about the special educational needs of students, so as to support student learning in the ApL courses. 

Guidelines on Nominating Students for Applied Learning Chinese (for non-Chinese speaking students)

Schools may refer to the following guidelines in nominating students for Applied Learning Chinese (for non-Chinese speaking students) (ApL(C)):

- ApL(C) is introduced to provide an additional channel exclusively for **non-Chinese speaking (NCS) students** meeting specified circumstances to obtain an alternative Chinese language qualification to prepare them for further studies and career pursuits.
- Students meeting specified circumstances are those who have learned Chinese Language for less than six years while receiving primary and secondary education; or students who have learned Chinese Language for six years or more in schools, but have been taught an adapted and simpler Chinese Language curriculum not normally applicable to the majority of students in local schools.
- ApL(C) **emphasises application and practice, taking daily life or vocational areas as the learning context**. Schools should assist NCS students in considering applying for ApL(C) according to their language ability, interests and aspirations, and provide guidance and support for NCS students in choosing the appropriate Chinese language curriculum. Each NCS student can apply for and take **one ApL(C) course only**.
- NCS students who aspire to apply for and take ApL(C) should have basic language competency to enable them to learn the Chinese language through different modes of activities in a simulated applied learning context. At the point of entry for the study of ApL(C) courses, they are expected to have achieved most of the learning outcomes of the “Chinese Language Curriculum Second Language Learning Framework” (“Learning Framework”) at level 4 or above. Upon completion of ApL(C) courses, NCS students are expected to have achieved the relevant learning outcomes of the “Learning Framework” at level 6 or above. Details of the Learning Framework are available at the website of the EDB (www.edb.gov.hk/tc/curriculum-development/kla/chi-edu/second-lang.html). 
- Before collecting students’ personal data, schools must seek students’ consent by providing all ApL course applicants with the “Student Agreement Form”. The form can be downloaded at the EDB website (www.edb.gov.hk/apl/en/forms-download). The completed forms should then be collected for retention by the school. In accordance with the Personal Data (Privacy) Ordinance, schools should ensure that all students’ personal data can only be handled by authorised personnel of the schools. 
- For students with **special educational needs**, schools may opt to submit supplementary information, along with their applications for ApL(C) courses, for reference of the course provider(s) concerned. The form can be downloaded from the website of the Education Bureau (EDB) (www.edb.gov.hk/apl/en/forms-download). The completed form should be sent to the EDB via fax at 2714 2456 for transmission to the course provider(s) concerned as reference. The course provider(s) may contact the schools concerned to make special arrangements for selection interviews if deemed necessary. The EDB encourages schools to keep in close contact with the course providers about the special educational needs of students, so as to support student learning in the ApL(C) course. 
- For details of ApL(C) courses, please refer to the ApL(C) website (www.edb.gov.hk/en/aplc).

**Funding and Accounting Arrangements for
Diversity Learning Grant for Applied Learning
(2023-25 Cohort; 2025 HKDSE)**

Annex 6

Diversity Learning Grant

1. The Diversity Learning Grant (DLG) supports aided, government and caput schools, schools under the Direct Subsidy Scheme (DSS) and special schools operating senior secondary classes, in offering a diversified local curriculum to cater for students' needs. It is a cash grant for aided secondary schools, caput schools, DSS secondary schools and special schools. For government secondary schools, it is in the form of budget allocation.

2. The DLG for Applied Learning (ApL) will be provided to eligible schools on a yearly basis for the implementation of ApL courses provided by the course providers and approved by the Education Bureau (EDB). Schools receiving the grant are NOT allowed to charge students any course fees.

Ambit

3. Students in eligible schools studying the senior secondary curriculum prepared by the Curriculum Development Council and published for use in schools by the EDB and studying ApL courses are subsidised under the DLG for ApL⁷. Each eligible student is entitled to funding for a **maximum of two** ApL courses (excluding Applied Learning Chinese (for non-Chinese speaking students)).

4. The DLG for ApL for the 2023-25 cohort can only be used to subsidise students to take ApL courses for the 2023-25 cohort and cannot be mixed with the DLG for ApL for other cohorts. The funding must be used for the payment of ApL course fees to be charged by the course providers. It must not be used for Other Languages and Other Programmes (which are supported by other categories of the DLG), and other purposes such as capital purchases, overheads or maintenance, etc.

Funding Arrangement

5. Schools will be disbursed/allocated with an amount of DLG for ApL which is equal to the total course fee of ApL courses enrolled by eligible students. The DLG for ApL for the 2023-25 cohort will be disbursed/allocated to schools in **two equal instalments** during the two-year course duration. Details of the funding arrangement are as follows:

Funding arrangement	ApL courses commencing at Secondary 4 in the 2022/23 School Year	ApL courses commencing at Secondary 5 in the 2023/24 School Year
First instalment		
Schools will be informed by the EDB of the provisional amount of the grant*	August 2022	August 2023
Disbursement/allocation of the grant to schools by the EDB	November 2022	November 2023

⁷ Students no longer meeting the requirements as stated in paragraph 3 above due to any reason (e.g. departed from schools) will not be eligible for the DLG for ApL. However, if such students have successfully completed their first year study of ApL courses, they may continue their second year study of ApL courses at their own expense with the consent of the respective course providers and the EDB.

Second instalment		
Schools will be informed by the EDB of the provisional amount of the grant *	August 2023	August 2024
Disbursement/allocation of the grant to schools by the EDB	November 2023	November 2024

* The EDB will inform schools of the provisional amount of DLG for ApL via the Communication Delivery System (CDS). Schools should verify the student enrolment information and the amount of allocation of the DLG for ApL as stated in the Notice for Provisional Amount of DLG for ApL, as well as validate the information (including student reference number, student name, class, course details, etc.) in the WebSAMS. Upon receipt of the confirmation from schools, disbursement/allocation of the DLG for ApL will be made by the EDB based on the actual number of students (based on the headcount of the respective cohort). Details of the arrangement will be announced via the CDS.

Accounting Arrangements

6. Schools should pay course fees to the course providers in two equal instalments. Instalments of course fees would be calculated based on the actual number of students of the respective school years. Besides, schools may apply for course fee reduction from the course providers should there be venues, facilities, equipment provided or school teachers contributing to the teaching of ApL courses, etc..

7. For aided secondary schools, caput schools, DSS secondary schools and special schools, a separate ledger account named “**DLG for ApL (2023-25 cohort)**” should be kept in the school ledger account under the **Government Fund** to properly record all income and expenditure chargeable to ApL courses. The surplus in the ledger account can be carried forward to the next school year until **31 August 2025**. Any unspent balance of the grant will be clawed back. Transfer of funds and/or its unspent balance out of this grant is not allowed. In case of deficit in the ledger account, schools can top up the grant by deploying other resources tabulated below by the end of the respective school years.

School type	Resources to be deployed by schools
Aided secondary schools, special schools operating senior secondary classes	<ul style="list-style-type: none"> • Capacity Enhancement Grant (CEG) • Surplus in the General Domain of Operating Expenses Block Grant (OEBG) / Expanded OEBG • Substitute Teacher Grant / Teacher Relief Grant (TRG) • Schools’ own funds
Government secondary schools	<ul style="list-style-type: none"> • Expanded Subject and Curriculum Block Grant • TRG
Caput schools	<ul style="list-style-type: none"> • CEG • Fee Subsidy • Schools’ own funds
DSS secondary schools	<ul style="list-style-type: none"> • CEG • DSS Subsidy • Schools’ own funds

8. If schools still have financial difficulties in offering the ApL courses after deploying other resources, schools may approach the EDB to explain their practical difficulties. The EDB will consider providing appropriate support taking into account the specific situation of individual schools.

9. For government secondary schools, the expenditure should be charged to the user code assigned for DLG for ApL (2023-25 cohort). The grant is financial year-based and the expenditure could not exceed the allocation in the respective financial year. Separate allocation for the unspent balance (if any) of the preceding financial year will be provided at the beginning of the next financial year, and any unspent balance of the grant will lapse after **31 August 2025**. Transfer of funds and/or its unspent balance out of this grant is not allowed. In case of deficit, schools can top up the grant by deploying the resources as set out in paragraph 7.

**Funding and Accounting Arrangements for
Student Grant for Applied Learning Chinese (for non-Chinese speaking students)
(2023-25 Cohort; 2025 HKDSE)**

Student Grant for Applied Learning Chinese (for non-Chinese speaking students)

1. The Student Grant for Applied Learning Chinese (for non-Chinese speaking students)(Student Grant) supports aided, government and caput schools, schools under the Direct Subsidy Scheme (DSS) and special schools operating senior secondary classes to offer Applied Learning Chinese (for non-Chinese speaking students)(ApL(C)) courses. It is a cash grant for aided secondary schools, caput schools, DSS secondary schools and special schools. For government secondary schools, it is in the form of budget allocation.

Ambit

2. Eligible schools offering ApL(C) courses are provided with the Student Grant to pay for the course fees. Full subsidies will be provided to schools to support each eligible non-Chinese speaking students in taking one ApL(C) course. Schools receiving the Student Grant are NOT allowed to charge students any course fees.

3. The Student Grant (2023-25 cohort) can only be used to subsidise students to take ApL(C) courses for the 2023-25 cohort. The funding must be used for the payment of ApL(C) course fees to be charged by the course providers. It must not be used for offering other ApL courses, capital purchases, overheads or maintenance, etc..

Funding Arrangement

4. Schools will be disbursed/allocated with an amount of Student Grant which is equal to the total course fee of ApL(C) courses enrolled by eligible students. The Student Grant will be disbursed/allocated to schools in **three equal instalments**. Details of the funding arrangement are as follows:

Schools will be informed by the EDB of the provisional amount of the grant *	August 2024
Disbursement/allocation of the grant to schools by the EDB	November 2024

Provisional grants for the first instalment for government schools will be disbursed in Jan 2023 to tie in with the accounting arrangement.

* The EDB will inform schools of the provisional amount of the Student Grant via the Communication Delivery System (CDS). Schools should verify the student enrolment information and the amount of the Student Grant as stated in the Notice for Provisional Amount of the Student Grant, as well as validate the information (including student reference number, student name, class, course details, etc.) in the WebSAMS. Upon receipt of the confirmation from schools, disbursement/allocation of the Student Grant will be made by the EDB based on the actual number of students (based on the headcount of the respective cohort). Details of the arrangement will be announced via CDS.

Accounting Arrangements

5. Schools should pay course fees to the course providers in three equal instalments. Instalments of course fees would be calculated based on the actual number of students of the respective school year. Besides, schools may apply for course fee reduction from the course providers should there be venues, facilities, equipment provided or school teachers contributing to the teaching of ApL(C) courses, etc..

6. For aided secondary schools, caput schools, DSS secondary schools and special schools, a separate ledger account named “**Student Grant for ApL(C) (2023-25 cohort)**” should be kept in the school ledger account under the **Government Fund** to properly record all income and expenditure. The surplus in the ledger account can be carried forward to the next school year until **31 August 2025**. Any unspent balance of the Student Grant will be clawed back. Transfer of funds and/or its unspent balance out of this grant is not allowed. In case of deficit in the ledger account, schools can top up the grant by deploying other resources tabulated below by the end of the respective school years.

School type	Resources to be deployed by schools
Aided secondary schools, special schools operating senior secondary classes	<ul style="list-style-type: none"> • Capacity Enhancement Grant (CEG) • Surplus in the General Domain of Operating Expenses Block Grant (OEBG) / Expanded OEBG • Substitute Teacher Grant / Teacher Relief Grant (TRG) • Schools’ own funds
Government secondary schools	<ul style="list-style-type: none"> • Expanded Subject and Curriculum Block Grant • TRG
Caput schools	<ul style="list-style-type: none"> • CEG • Fee Subsidy • Schools’ own funds
DSS secondary schools	<ul style="list-style-type: none"> • CEG • DSS Subsidy • Schools’ own funds

7. If schools still have financial difficulties in offering the ApL(C) courses after deploying other resources, schools may approach the EDB to explain their practical difficulties. The EDB will consider providing appropriate support taking into account the specific situation of individual schools.

8. For government secondary schools, the expenditure should be charged to the user code assigned for Student Grant for ApL(C) (2023-25 cohort). The grant is financial year-based and the expenditure could not exceed the allocation in the respective financial years. Separate allocation for the unspent balance (if any) of the preceding financial year will be provided at the beginning of the next financial year, and any unspent balance of the grant will lapse after **31 August 2025**. Transfer of funds and/or its unspent balance out of this grant is not allowed. In case of deficit, schools can top up the grant by deploying the resources as set out in paragraph 6.
