Climate Change Mitigation Slogan cum Poster Design Competition (Secondary School)

Objectives:

The Competition aims to cultivate secondary students' responsibility and commitment to environmental protection through slogan cum poster design, encourage them to unleash their creativity to bring out climate change mitigation is everyone's responsibility, and inspire others to take part in achieving carbon neutrality so as to lead to sustainable development.

Target and Participation:

- The Competition is open to all secondary students in the territory. It is divided into Junior Secondary Division (Secondary 1-3) and Senior Secondary Division (Secondary 4-6).
- Students shall enter the competition as individual entrants and each entrant shall only **submit ONE entry** through his/her attending school.
- Each school can submit a maximum of **ten entries for each division**.

Content:

- Entrants should design a poster matching the theme, with a theme-based slogan on the poster.
- Both posters and slogans should bring out climate change mitigation is everyone's responsibility, and encourage others to take part in achieving carbon neutrality so as to lead to sustainable development.

Entry Requirements:

- Both hand drawings and digital designs are acceptable.
- Entries must be in A4 size (210 mm x 297 mm), vertical layout and colour 2D graphics design.
- The slogan should be concise and its message conveyed should tally with that on the poster. The slogan can be in Chinese and / or English (with a maximum of 20 characters in Traditional / Simplified Chinese or 15 words in English, including punctuation). Other languages will not be accepted.
- The idea and contents of the entries must match the theme of the Competition, and all entries must be original, and have neither been released publicly nor submitted to other similar competitions.
- The poster must not contain or quote the names, labels and trademarks of people, schools, companies, and brands, etc. In addition, participants are not allowed to add text, symbols or pictures that represent personal information such as signatures, borders, and watermarks in their entries.

Submission of Entries:

- Please download and complete the "Entry Form" and "Declaration of Consent" from the website
https://www.edb.gov.hk/en/mcne/ESD_Sec_Comp.
- The school is required to submit a separate entry form for each division.

- Both hand drawings and digital designs should be converted to PDF format (with a minimum resolution of 300 dpi) / JPEG, PNG or TIFF format (no less than 2480 x 3508 pixels) by the school. The converted entries, together with the completed “Entry Form” and “Declaration of Consent”, should be submitted to Moral, Civic and National Education Section by email (email address: pomcne1@edb.gov.hk).
- The deadline for entry submission is **30 December 2022 (Friday)**. The entry submission time will be based on the date and time indicated in the EDB’s server system. Late submissions will not be accepted.
- Upon receipt of the entry form(s), declaration of consent and entries, we will notify the teacher-in-charge by email. Teachers-in-charge may call 2153 7491 if confirmation email has not been received by 20 January 2023.

Student Environmental Protection Ambassador Scheme 2022/23

Aims/Objectives

This is to invite primary and secondary schools to participate in the captioned scheme.

Details

2. The objectives of the scheme are to cultivate students' responsibility in environmental protection, to nurture their leadership skills, and encourage them to take positive initiatives in improving the environment.

3. The Environmental Campaign Committee (ECC), the Environmental Protection Department and the Education Bureau (EDB) jointly organise the Student Environmental Protection Ambassador (SEPA) Scheme in the 2022/23 school year. The scheme has been organised for primary and secondary students in Hong Kong since 1995. Schools with SEPAs enrolled in *Specific Environmental Badge training – Waste Blueprint for Hong Kong 2035* will be subsidised to organise *theme-related school-based environmental education activities*. Details of the scheme and training are shown at **Appendices 8a and 8b** respectively.

4. To enable schools to include the training in their teaching plans of the coming school year, the training schedule for the 2022/23 school year has been uploaded onto the ECC website (<https://school.ecc.org.hk/english/sepas/sepas.html>). Please note that the **registration form for nominating SEPAs and application form for the respective training activities will be available at the ECC website in early September 2022.** The ECC Secretariat will invite schools to submit the form(s) by the time. **For schools that have already enrolled in the SEPA Scheme in the 2021/22 school year, there is no need to submit a fresh enrolment form.** Teachers-in-charge are only required to submit the application form for training activities and fill in the number of new and existing SEPAs as well as quantities of log books and metal badges required.

Enquiry

5. For enquiries, please contact the ECC Secretariat on 2835 1772 or the Moral, Civic and National Education Section of the EDB on 2153 7487.

Student Environmental Protection Ambassador Scheme 2022/23

1. Introduction

- 1.1 The Environmental Campaign Committee (ECC), the Environmental Protection Department (EPD) and the Education Bureau (EDB) have jointly organised the Student Environmental Protection Ambassador (SEPA) Scheme for students of primary and secondary schools since 1995.
- 1.2 Details of the Scheme are available from the "Other Learning Experiences (OLE) Activity Databank" website (https://minisite.proj.hkedcity.net/edbosp-lwll/eng/learning_and_teaching_resources/resources_list.html?sort=uploaded_date). Senior secondary school students may participate in activities of the Scheme. Students may enter their OLE data (including this Scheme) in their Student Learning Profiles to briefly record of their learning outcomes.

2. Objectives

- To cultivate students' responsibility in environmental protection; and
- To nurture leadership among students and encourage them to take positive initiatives in improving the environment.

3. Theme: Waste Blueprint for Hong Kong 2035"

- **"Waste Blueprint for Hong Kong 2035"** is selected as the theme of the SEPA Scheme 2022/23 to promote waste reduction at source and enable students to better understand the environmental initiatives in Hong Kong.

4. Student Environmental Protection Ambassador

4.1 Charter

The SEPA Scheme is organised for students who are dedicated to building up a better environment for Hong Kong. Participating students are encouraged to:

- think globally and act locally;
- keep abreast of environmental issues in Hong Kong;
- take part in environmental protection activities organised by the ECC, government departments, non-governmental organisations, environmental groups and community groups;
- plan, organise and implement environmental protection projects at schools; and
- set good examples in promoting sustainable development.

4.2 Appointment

All Primary 1 to Secondary 6 students are eligible to be appointed as SEPAs upon the nomination of their schools. Once appointed, the students will remain as SEPAs until the completion of their primary or secondary education. In addition, Senior Secondary SEPAs will have opportunities to participate in different kinds of green community services/activities organised by Environment and Ecology Bureau (EEB), EPD and/or ECC.

5. Training for SEPAs and Subsidy for Organising Activities

5.1 Training

5.1.1 Training for the *Basic Environmental Badge* and the *Specific Environmental Badge* is available for SEPAs under the *Environmental Badge System*. The ECC also provides teachers training on *Basic Environmental Badge Train-the-Trainer Workshop* and *Environmental Training Sessions*. Heads of Schools may nominate their teachers to participate in the training sessions and consider counting the time teachers spent in the training workshops as Continuing Professional Development (CPD) hours. Details of the training are shown at **Appendix 8b**.

5.1.2 The training schedule for the 2022/23 school year has been uploaded onto the ECC website (<https://school.ecc.org.hk/english/sepas/sepas.html>) for schools to include the training in the teaching plans.

5.2 Subsidy for School-based Environmental Education Activities

The ECC will subsidise schools with SEPAs enrolled in the *Specific Environmental Badge training – Waste Blueprint for Hong Kong 2035* with a maximum amount of HK\$500 for primary school and HK\$800 for secondary school to organise *theme-related school-based environmental education activities*.

6. Enquiry

For enquiries, please contact the ECC Secretariat on 2835 1772 or the Moral, Civic and National Education Section of the EDB on 2153 7487.
