#### **Summary**

This circular memorandum aims to inform heads of kindergartens, primary and secondary schools offering local curriculum of the distribution of copies of President Xi Jinping’s “Address at the Meeting Celebrating the 25th Anniversary of Hong Kong’s Return to the Motherland and the Inaugural Ceremony of the Sixth-term Government of the Hong Kong Special Administrative Region” (the “Address”).

#### **Details**

2. President Xi Jinping attended in person the meeting celebrating the 25th anniversary of Hong Kong’s return to the motherland and the inaugural ceremony of the sixth-term Government of the Hong Kong Special Administrative Region (HKSAR) on 1 July 2022, and delivered an important speech, clearly stating the importance of the successful practice of “one country, two systems” to the development of the country and Hong Kong. The focus of the speech includes “four musts”: we must fully and faithfully implement the principle of “one country, two systems”; we must uphold the central government’s overall jurisdiction while securing the SARs’ high degree of autonomy; we must ensure that Hong Kong is administered by patriots; and we must maintain Hong Kong’s distinctive status and advantages. When mentioning his staunch support for the HKSAR and endeavours for the future, President Xi also laid down four proposals: Hong Kong should further improve its governance; Hong Kong should continue to create strong impetus for growth; Hong Kong should earnestly address people’s concerns and difficulties in daily life; and the people of Hong Kong should work together to safeguard harmony and stability. The “Address” fully expresses President Xi’s love and care for young people in Hong Kong, and his earnest hope of providing “better education for children”.

3. In view of the great significance of the “Address” to Hong Kong, the Education Bureau (EDB) will provide “the Address” booklet for teachers of schools offering local curriculum to study and learn the key messages of President Xi’s important speech, accurately comprehend the constitutional order under “one country, two systems”, deepen the awareness of the trends in both the country and the world, and understand the importance of Hong Kong’s integration into the overall development of our country.

4. The EDB will distribute the “Address” booklet to schools from 16 August onwards. Each kindergarten will be provided with 7 copies. Subject to the number of classes, each primary school will be provided with 30 copies (12 classes or below) or 60 copies (13 classes or above), and each primary school under Direct Subsidy Scheme (DSS) will be provided with 60 copies. Each secondary school and special school will be provided with 60 copies and 30 copies respectively. Heads of kindergartens, primary and secondary schools (including special schools) are requested to complete the attached collection form and arrange to collect the “Address” at the respective Regional Education Offices from 16 August to 15 September 2022.
