

EDUCATION BUREAU CIRCULAR MEMORANDUM NO. 203/2022

From : Secretary for Education

To : Heads of Government, Aided (including special schools), Caput and Direct Subsidy Scheme Secondary and Primary Schools

Ref. : EDB/CDI/TE/08-25-07

Date : 23 November 2022

Enriching Technology Knowledge Series: **Seminar cum Exhibition on Internet of Things (IoT)**

Purpose

The purpose of this circular memorandum is to invite teachers of primary and secondary schools to participate in the captioned professional development programme.

Background

2. The Education Bureau (EDB) has been further strengthening the promotion of STEAM (Science, Technology, Engineering, the Arts, and Mathematics) education, to develop science and innovation and technology (I&T) education, and to equip students with the competencies required in the 21st century, as well as to nurture I&T talents. The enriching technology knowledge series professional development programmes on emerging technologies are organised to enhance the understanding of teachers on innovation technologies and their applications, so as to facilitate the further promotion of STEAM education in schools.

Details

3. The EDB collaborates with the Hong Kong Productivity Council (HKPC) to organise a seminar cum exhibition with the theme “Internet of Things (IoT)”. The event is also supported by the Association of IT Leaders for Education (AiTLE), Hong Kong Association for Computer Education (HKACE) and Hong Kong Education City (EdCity). The seminar cum exhibition will be held on 20 December 2022 (Tuesday) in HKPC.

4. There are three parts of the event: thematic talk, workshop and exhibition. The event will cover a variety of IoT basics and applications, learning and teaching strategies, as well as related learning and teaching solution. Teachers can apply for the courses through Training Calendar System (TCS) of the EDB. Details are as follows:

Course ID	Course Title	Course QR Code
CSD020220281	Enriching Technology Knowledge Series: (2) Seminar cum Exhibition on Internet of Things (IoT) - (AM - Online Event)	
CSD020220284	Enriching Technology Knowledge Series: (2) Seminar cum Exhibition on Internet of Things (IoT) - (AM – Face-to-Face Event)	
CSD020220283	Enriching Technology Knowledge Series: (2) Seminar cum Exhibition on Internet of Things (IoT) - (PM - Online Event)	
CSD020220285	Enriching Technology Knowledge Series: (2) Seminar cum Exhibition on Internet of Things (IoT) - (PM – Face-to-Face Event)
